Horace Ruhr-Parade Chairman

11:00 a.m.

Firing squad, National Guard

Colors-Troop 208 BSA

Three minutes silence

Guest Speaker, Walter Gex, III

Joseph Benvenuti, Emcee

In recognition of all American and allied servicemen who have fallen in defense of their country and its ideals, on this, the 59th Anniversary of the signing of the Armistice agreement that ended World War I, Nov. 11, 1918.

### IN FLANDERS FIELD

IN FLANDERS FIELDS the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders field.

Take up our quarrel with the foe;  
To you from failing hands we throw  
The torch; be yours to hold it high,  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

John McCrae

### REPLY TO IN FLANDERS FIELDS

OH SLEEP in peace where poppies grow;  
The torch your falling hands let go  
Was caught by us, again held high,  
A beacon light in Flanders sky  
That dims the stars to those below.  
You are our dead, you held the foe,  
And ere the poppies cease to blow,  
We'll prove our faith in you who lie  
In Flanders Fields.

## 16th Section lease policy brings school income hike

by JAKE JACOB

Education Superintendent Terrell Randolph on Monday established a precedent in Hancock County when he sought and obtained concurrence of the board of supervisors on the first 16th Section land lease made under the new

guidelines.

His own board, the Hancock County School Board, having the power of veto, also approved the lease at their meeting 24 hours later.

Under the new lease terms, Charles Green of Pearlinton will pay \$322.50 a

year to the school system for lease of 2.15 acres in Pearlinton.

The lease term is for 25 years, with the land to be reappraised after 10 years, a factor that could drive the rent price still higher for the balance of the term.

Under the new guidelines, accepted by both boards earlier this year, the land is appraised by an independent, certified appraiser at true market value. Six percent of this appraisal is then taken to determine lease cost.

In former years the Green lease, like most other leases, realized \$10 per year to the school system, a sum under fire from both local and state legislative sources.

Randolph said all 16th Section lands throughout the county are now undergoing appraisal, work being performed by Robert Heitzmann, and surveyed by Steve Draper. Costs for these services are passed to the lessee at the time of lease signing.

(Continued on Page 2)

## Alcan equipment bonds

### given Bay council approval

by JAKE JACOB

The City of Bay St. Louis on Tuesday agreed in principle to the issuance of \$3.5 million in industrial revenue bonds. Proceeds from the sale will be utilized by Alcan Aluminum to equip their plant on Railroad Avenue for full operations with 50 employees, hopefully to begin in January, 1979.

Jack B. Lyle, vice president, Hen-

drix, Mohr, and Yardley, Inc., Birmingham, Ala., told council the city could not lose as only the company concerned would be on the bonds as guarantor.

He said Alcan had \$700 million in sales last year and are a company that will come into a community to stay and hire locally.

## Rider ruckus again plagues county school bus system

By EDGAR PEREZ

Drivers of Hancock County school buses this week received assurance from school board members and the superintendent of their support in enforcement of county and state law.

### COURTHOUSE CLOSED

In observance of Armistice Day the Hancock County Courthouse will remain closed Nov. 11.

regulating student behavior on buses.

Two drivers from Gulfview Elementary School bus routes appeared at the board's Monday meeting to report student behavior on their buses has deteriorated to the point that lives are endangered because of driver distraction.

Principal Thad Haskins of Hancock North Central also reported a situation of continuing problems on Pearlinton, Lakeshore and Gulfview busses ter-

minating their routes at HNC.

Walter Damiani, English teacher and bus driver at Gulfview, told board members "two or three (bus drivers) are anticipating resigning" because disciplinary problems on the buses have become so severe.

Damiani said because of uncontrollable "screaming and yelling," he has demanded there be no talking on his bus.

(Continued on Page 12)

## Board of Supervisors meets

## Exxon asks, gets seismic lease; White Cypress resort platt ok'd

The increasing emphasis being placed in deep natural gas formations passing under Hancock County was again brought to the fore this week when supervisors granted the Exxon Corporation seismic rights on Sect. 30, Twp. 5 South, Range 15 West.

The request is effective for 30 days from Oct. 26.

Classed as lieu lands (lands deeded to the county in lieu of 16th Section acreage), Exxon is to pay \$25 a shot hole, money that will be placed in the school system coffers.

In an unrelated matter, supervisors set the speed limits on the recently completed, and marked, Kiln-Fenton-Delisle Road as:

Beat 4, Kiln, 35 mph;

## Court rules on winter gas to industry

James E. Haynes, senior vice president-marketing of United Gas Pipe Line Company, has stated Friday that the prospect of plant shutdowns and employee layoffs this winter in United's Gulf South service area has been substantially reduced by an order issued Nov. 4 by the new Federal Energy Regulatory Commission.

"While such economic dislocations could have proved unavoidable under the permanent curtailment program recommended last summer by the Presiding Judge in United's curtailment proceeding.

"The Commission's new order indicates that the Judge's recommended plan will not be implemented on United's system during the 1977-78 winter season. The order states that the Commission will need more time to complete its evaluation of a permanent program for United's system and that the new plan it ultimately approves will

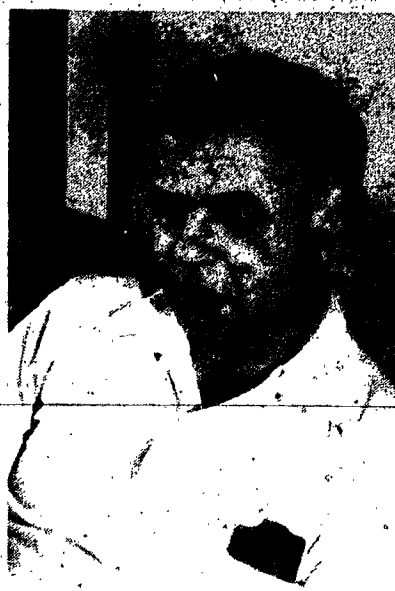

(Continued on Page 5)

Beats 3 and 5, beyond Silver Creek School for Exceptional Children, 55 mph;  
All trucks, 35 mph.

In one of two subdivision or development items, supervisors rescinded an order of Oct. 28, 1974, concerning the closure of the end of

Good Street in Jourdan River Isles Subdivision, 150 feet in front of a point where that street meets the river.

Greeting the champion on his return to Bay St. Louis Tuesday are his father, Judge Nelson Rhodes, seated left, his mother, Mrs. Matilda Rhodes, seated right, and his brother, Chad, seated center. (Staff photo by Edgar Perez)

## Exxon...

A group of petitioners, some of whom were present at the meeting, represented by their attorney Nicholas Haas, questioned the board's legal right to close the road.

Further, they said, the property owners within the 150 foot distance had built a fence across the road and piled sand inside the gate.

Board Attorney Sam Favre sided with the petitioners stating that while the board of supervisors had the right to abandon a road, they must obtain a court order to abandon or close roads inside a municipality or subdivision. Supervisor James Travira made the motion to rescind the original order, stating he wanted to blacktop the road anyway.

The clerk was instructed to write a letter to the property owners concerned to have the road-blocking fence, and any other obstructions, removed within 30 days or the sheriff would be sent to perform the act.

In the second matter, supervisors granted a variance to county street requirements to White Cypress Lakes Resort, Inc., and accepted a preliminary plan of a proposed camping development to be known as "Anglers Place in Camp Wilderness at White Cypress Lakes."

The variance was sought to permit narrower streets with all being one way, similar to those in other camping developments.

Harley Sims, president of the group, told the supervisors the one way scheme would permit camping units to swing in and out of the proposed 242 pads without concern for traffic coming the opposite direction. Included in the development is a clubhouse, fishing lakes and boats, tennis courts and the like.

Supervisors also approved the movement of all Youth Court files from the courthouse to a fire proof vault in the new Youth Court Building, and to shift the County Service officer to space within that building. The existing service office is to be returned to Tax Assessor and Collector George Heitzmann for storage, a factor urgently

(Continued from Page 1)

needed, Heitzmann reported, to prevent him from having to keep filing cabinets in the Courthouse hallways.

A bid request on pick-up trucks by Beats 1 and 3 resulted in split acceptance when Supervisor Oscar Peterson of Beat 3 refused to buy a unit "at that price."

The price referred to was the low and only bid received, this from Turan-Lane of Bay St. Louis, at \$4700.

A lone bid of \$1797 on a boat, trailer, and motor, was accepted. The bid was from Breath's Boats and Motors, and the unit will be utilized by the Civil Defense in search and rescue work.

A low bid of \$874 from Crown Equipment Co. for Beach Road repairs in Lakeshore was accepted. Other bids were received from Industrial Redmix, \$916, and Renike Construction, \$933.50.

Beat 1 Supervisor Bert Courge obtained the ok to advertise for bids to resurface: Kelly's Road, 1.3 miles; Summer's Road, 4 miles; School Road, 4 miles; Post Office Road, 3 miles; Vic Lett Road, 3 miles; Joe Powell Road, 2 miles; First Street, 3 miles; Oak Street, 1 mile; Gene Murphy Road, 1 mile, all Beat 1.

Tax Assessor Heitzmann also informed supervisors that the State Tax Department's expert on assessment equalization would be at their next meeting, Nov. 21.

A request for a waiving of the minimum elevation requirements as applied to a new community center at Bayou Phillips was approved, due to there being problems involved for its principal anticipated users, senior citizens, should the floor slab have to be raised; the county engineers were asked to quicken the pace on their 201 study input; Don Murray, assistant county engineer, was appointed to the Gulf Coast Railroad Relocation and Improvement Authority; there was approved a resolution amending the county flood control ordinance to include "...the flood carrying capacity within any altered or relocated portion of any watercourse shall be maintained..."

## 16th section...

A second lease, approved by the school board Tuesday, was for grazing rights to 640 acres of timber land in the buffer zone (Section 16, Range 15W, Twp. 8 South).

Here, the lease was advertised for bids, there being one received and that from L.J. Fletcher, Jr., in the amount of \$100 per annum.

Earlier Tuesday, Randolph said the recent \$600 lease to Texas Pacific, plus the Green lease, and the grazing lease, (\$600 plus \$322.50 plus \$100 or \$1022.50) came pretty close to equalling the

(Continued from Page 1)

entire amount received on 11,000 acres of 18th Section land in the last year.

"We took in a total of \$1300 for the whole thing last year and now, in three leases, we are almost up to that amount."

"We have about 30 leases due before the end of 1977 and all will be negotiated on the same basis," Randolph said.

He said the new policy will result in a considerable increase in 18th Section land leasing income for the benefit of the children of Hancock County.

## Pass gardeners visit greenhouse

By MARYON SPILLMAN

Recording Secretary The Pass Christian Garden Club members met at Lorraine's Flower Shop Nov. 3, to enjoy an invitational tour of the Shop's several greenhouse.

The tour was not only thoroughly enjoyable with the hundreds of plants and flowers, but truly educational as well for few of the members had realized with the diligent care required by such an operation involved. The tour concluded with light refreshments.

The business meeting then adjourned to the Hancock Bank reception room, where, after welcoming members, the president welcomed Doris Hughes and Mrs. Adams as

guests.

Routine reports were then read and accepted, after which Mrs. Wamsans discussed the upcoming Flower Show in the spring.

April 13 was decided upon as the date. The Christmas party is to be held Dec. 1 at the home of Mrs. Howard Haines. Mrs. Haines discussed some of the plans for the party, including those for the raising of money for the future Garden Center.

Mrs. Donald Rogers announced the tour of homes arranged by the Historical Society for Nov. 20, 2:00 to 5:00 p.m. Tickets are \$5.00 and may be obtained at Trinity Episcopal Church that day or at any one of the four homes. Refreshments will be included in the tour.

The meeting closed with the always delicious refreshments beautifully served.

## USM seeks holiday homes

Individuals who would like to share holiday hospitality with an international flavor have the opportunity to invite one of 200 students attending the University of Southern Mississippi English Language Institute.

The students represent Latin American, Middle and Far Eastern countries, as well as Europe.

Kathy Vasselus, a spokesman for the institute, said the deadline for invitations for Thanksgiving is Friday, Nov. 18. Individuals wishing to participate may contact the institute at USM, Southern Station Box 38, Hattiesburg, MS 39401 or by Tel. 266-7371 Monday through Friday from 8 a.m. to 5 p.m. "Students living in a dorm feel especially lonely on holidays when all of the American students go home to celebrate," she said. "Living in a strange country can be a lonely experience."

Vasselus, an instructor at the institute, said foreign students would especially benefit from experiencing holiday traditions in a home setting, like Thanksgiving, since it is a holiday unknown to most of them. "And, the host and international student could both benefit, since the opportunity could be a learning experience for both cultures. Too, the guest would have an opportunity to communicate in English outside the classroom and thus put to use what he is learning. He would also be able to gain first-hand knowledge about American life, something that can't be obtained in the classroom."

Vasselus said the students range in age from young and old and some are professional people. She said hosts may request sex and country when seeking a student to visit in their home.

## ENGINEERS TO MEET

The fall meeting of the Engineering Alumni Chapter of The University of Mississippi is scheduled for Nov. 18 in Jackson. The chapter's board of directors will meet at 8:30 a.m. that day at the Jackson Alumni Hotel. The University of Mississippi Medical Center chapter is also sponsoring a social hour, dinner, and program at Larkins Restaurant, beginning at 6:30

## Rotary plans annual dinner

The Bay St. Louis Rotary Club will host its annual fund raising dinner Saturday, Nov. 12, 5:30 p.m. till 7:30 p.m. at Virginia Hall, Christ Episcopal Church, 912 S. Beach Blvd.

The public is invited to the roast beef dinner, and tickets may be obtained from any Rotary member for a donation of four dollars per plate. Take-out dinners will be available.

The funds raised will be used for community projects. Some of the organizations who have received support from the Bay St. Louis chapter in the past are: Hancock General Hospital, landscaping the entrance to the Hancock County Youth Court building, the Rotary Foundation post-graduate fellowships, dinners for foster children and numerous other community causes.

The president of the Bay St. Louis Rotary Club is John Rosetti; chairman of the dinner is Jan Brameyer; committee chairmen are: supply, Fred Logan; tickets, Wm. Hilliker; publicity, Ellis Cuevas and Orrin Pilkey; kitchen, John Rosetti; customer service, Jan Brameyer; clean-up, Rev. Charles Johnson.

The Rotary Club is dedicated to the ideal of serving the community, and any money raised will be used for that purpose.

## Award nominee amends credits

Leo W. Seal, president and chief executive officer, Hancock Bank, was nominated last week for the Coast Federal Savings and Loan Association Laurel Wreath Award, by the Hancock County Chamber of Commerce.

In making the announcement the chamber cited Seal's accomplishments and service in the community.

This week Seal issued a statement correcting several of the items mentioned, particularly those concerning his present board positions.

Seal stated that he is presently past president of the District 24, Alumni Association of Mississippi State, past president of the Gulfport Gridiron Club, past president of the St. Stanislaus College Progressive Program, and past president of the St. Joseph Academy Carnival Association.

Finally, Seal said that he is a former member of the Gulf Coast Mosquito Control Commission, and Gulf Coast Regional Planning Commission.

## Handicrafters hear financial, bazaar reports

Clermont Handicrafters met Thursday at the home of Mrs. H. W. Duke in Clermont Harbor. Mrs. Duke opened the meeting with a devotional and Mrs. A. M. Thomas, president, conducted the business session.

Mrs. J. C. Goodloe who gave a financial report on the recent Christmas bazaar, noted it was a success.

Mrs. Thomas appointed Mrs. Goodloe chairman for the Club's Christmas party and luncheon to be held Thursday, Dec. 1.

The meeting was closed with the thought for the day, "We make a living by what we get, We make a life by what we give."

The annual social followed with Mesdames Duke, Irene Graff and Goodloe as hostesses.

## Pooch of the Week

Bay-Waveland Humane Society, Inc. has a miniature Yorkshire terrier, a mixed dachshund and poodle and a young mixed Manchester and poodle in need of homes.

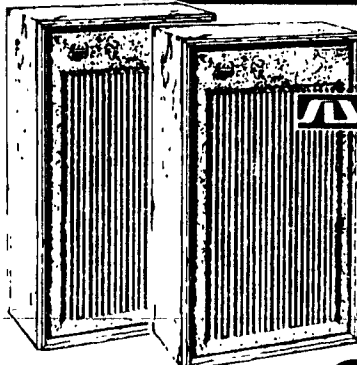

Further information is available by calling 487-9494.

# Senior Citizens

By FRED HORN

## By FRED HORN

**WEDDING'S**  
The first Senior Citizen's wedding in Hancock County will take place on Friday, Nov. 11th at 1:30 p.m. at the Senior Citizen's Center on the Old Spanish Trail.

All Senior Citizens registered at the Center are invited to attend this gala event.

An open invitation is extended to all county officials and the City officials from Bay St. Louis and Waveland.

The groom is Mr. Charles Ladner, age 70. The bride to be is Ms. Margaret Punch, age 54. Mr. Ladner is from Bay St. Louis, Ms. Punch is from Clermont Harbor.

## RECREATION

Due to the many events that have been taking place at the Senior Citizen's Center, we were unable to relate all in last week's column. We will continue with the rest of the Senior Citizen's happenings this week.

## NASHVILLE

### EXCURSION

Saturday morning the Seniors went to visit Opera Land, where many of the young entertainers imitate the country and western stars. They also visited the state capital and many other points of interest.

Sunday morning, October 30th, the Seniors left Nashville at 8:30 a.m. and arrived in Bay St. Louis Sunday evening at 8:00 p.m.

All 43 Seniors enjoyed the trip very much, they arrived back home tired but happy. All 43 Seniors have the utmost praise for Jim Hoda, our Recreation Director, who initiated it, and acted as tour guide during the entire trip.

## HOSPITALIZED

The following Seniors have been hospitalized at the Hancock General Hospital: Abbede Peebles; Julian De Bever; St. Clair Locke; Lydia Abadie; Wallace Colly; Ernest Cuevas; Henry Polleah; Ruth Meilleur; Carl McDonald; Marion Armitage; Margaret Sick; Claude Merrell; Randolph Lind; Grace Jones; Manuel Maurigi; Augusto Cesana;

Elvira Moore; Elizabeth Green; Celia Ladner; and Patrick Simms. We wish you all a speedy recovery.

To all our Seniors who are enjoying good health, let's not forget our friends who are recuperating at home. A friendly call or visit will help to enlighten their day.

Note: Mrs. Abbede Peebles was the late President Harry S. Truman's Secretary.

## BEREAVEMENT

Our condolences to Gloria Madere, Coordinator for Information and Referral, whose mother Jennie Zehender passed away on Monday, October 31st.

Our condolences are also extended to George Heitzmann, our County Tax Assessor and Collector, whose brother, Albert Bubba Heitzmann, passed away, and also to all the families of Sophronia Barney, Robert Holmes, Ivey Peebles, Susan Koch and Grace Thumb.

To all the members of the families they loved so much, we all share in your sorrows.

## Echoes

Lucien Favre has returned from a visit with his son and daughter-in-law Mr. and Mrs. Darrell Favre and family in Iowa, La.

Mr. and Mrs. John Ryan Jr. and family of Waveland had as guests for two weeks his brother-in-law and sister Mr. and Mrs. Robert J. Fitzgibbon of Iron Mountain, Mich. While here they had a family reunion at Lenfant's in New Orleans.

Gary Breaux of Metairie, La., spent Sunday with his grandparents Mr. and Mrs. Andrew Breaux.

R.S.V.P. Volunteers give thousands of hours of valuable service throughout our county - This is a United Way Agency.

Gulfside Boys Home - A United Way Agency - Has as its goal to return the disadvantaged boy to his own parents, or to a good foster home.

## BLUE JEANS

The Blue Jeans Garden Club will hold its monthly meeting at 1 p.m. Thursday, Nov. 17, at the home of Mrs. H. W. Duke in Clermont Harbor. All members are asked to attend and to bring a Thanksgiving or Christmas decoration for judging.

Your Stake in Money and Economics

Not a day passes that the average American does not make decisions regarding money. Insurance, tuition, rent, bills, taxes—all these require some knowledge of money matters.

Yet too many Americans do not understand economics and too many do not realize that economics and money are really different ways of talking about the same thing.

Economic institutions with esoteric sounding names often affect us personally but many of us don't realize it. For example, most people couldn't care less about Federal Reserve Bank rates until they discover that rates set by the Federal Reserve will determine how much interest will be paid on their auto loans.

Because Champion International Corporation is concerned about the low level of economic literacy in this country, it is sponsoring a nationwide competition which is being administered solely and independently by the Amos Tuck School of Business Administration at Dartmouth College.

Called the 1977 Media

Awards For The Advancement of Economic Understanding, the \$100,000 award program is directed toward working newspaper, radio and television professionals. The competition's aim is to encourage reporting and programming of all kinds that will increase the public's knowledge and understanding of economics. It seeks to encourage newspaper and broadcast reporters to effectively explain how the economic system works to the average consumer and how it affects him.

Most Americans get a major part of their information from the media. A single story in a big city newspaper or on national television reaches more people than a teacher will instruct in his lifetime.

Therefore, the Awards program has been structured to reward excellence in economic reporting in the media as it is this group that must lead the way in translating the often confusing economic terminology into a language we can all understand.

## Alcan...

Lyle described the bonds as being "a beautiful vehicle for the community to bring in industry."

He said his company's role in the situation is to resell the bonds to investors, adding that before anything could be undertaken, federal law requires a memo of agreement must be spread upon the minutes of the concerned political identity.

In a second matter, Youth Court Referee Michael D. Haas, appeared before council seeking the imposition of a Youth Services Tax of \$3 on criminal cases where the defendant is found guilty in city court.

Haas stated the municipalities account for the major portion of the Youth Court's case load, and that although their efforts were quelling the repeat offender, out of the 133 juvenile cases presented to the court in June of this year, 47 originated in Bay St. Louis.

The referee indicated that the tax, now being collected by all county courts, was not providing sufficient revenue for youth court operations.

A question on the possibility of double taxation occurring under certain circumstances, was advanced by Councilman Fred Wagner, a likelihood that caused council to table the matter until their next session, Nov. 22.

An unusual zoning issue was solved by council calling on the city clerk to advertise a change to permit construction of mini-warehouses in C-4, C-2, and C-3 zoned areas of the city.

A permit, issued to Contractor Ron Artigues, covering construction of such a facility on property to the rear of US-90, had subsequently been revoked when it was determined that existing ordinances did not stretch to encompass mini-warehouses.

Such, council were told, were not known at the time the ordinance was passed, leaving the more conventional

(Continued from Page 1)

type warehouse restricted to heavy industrial zones.

Councilman Peter Benvenuti suggested that in future the building inspector check the ordinance before issuing a permit causing its recipient to move with an investment of capital.

Charles H. Hill of Burk and Associates, city engineers, told council that a new requirement of the federal highway department banning center supports on overpasses will probably cause some difficulty with the proposed Dunbar and US-90 overpass.

The engineer said the ruling was made as the result of nine people being killed in a collision with a like structure in Pennsylvania.

He indicated that Mayor Larry Bennett and he are to attend a conference with the federal authorities in an attempt to iron out differences.

A second engineering item concerned the possible assessment of highway fronting business property to cover installation of sewerage collection lines.

The issue arose following Hill's telling council that existing collection lines were inadequate and the construction of three new fast food businesses adjacent to the Hancock Bank on US-90 would overload existing facilities.

A delegation of citizens on hand to protest proposed apartment complex construction on Keller Street, south of Third, were invited to put themselves on the next meeting's agenda, after the actions of the city zoning board were declared null and void due to incorrect procedures being inadvertently followed.

As the planning groups actions dealt with zoning changes required for the development, their minutes will be resubmitted to council by that time.

## Carlson...

(Continued from Page 1)

gunned down by Carlos R. Poree during a shooting spree in downtown New Orleans Monday.

Carlson, a colleague and a customer were shot by Poree inside the offices of Merrill Lynch, Pierce, Fenner and Smith, Inc., at 915 Common St.

Carlson is an account executive for Merrill Lynch and a Michigan native who first came to Bay St. Louis with the space program at NASA-NSTL.

Carlson said he is having trouble remembering events immediately following the shooting.

He said he is not sure if lacerations of his right cheek under the eye and left lower lip were inflicted by the same bullet which struck him in the right chest.

Neither does he remember how the left lens of his glasses were broken.

Carlson said if not by the bullet, the lacerations may have come from a fall after he was shot.

He was treated for shock in addition to his wounds at Charity Hospital after he was shot, he said.

Carlson said doctors at Charity and at Oschner Foundation Hospital where he was later transferred agreed he was not in need of surgery except to remove the bullet from under the skin of his back.

Carlson said he received a transfusion of plasma for blood loss, tetanus shot and intravenous administration of antibiotics.

# Classroom concentration asked in school responsibilities

Last week the Gulf Coast School Boards Association (GCSBA) issued a list of legislative priorities and concerns, a list closely paralleled by a similar issuance of the Mississippi School Board Association's legislative committee.

Both lists dealt at length with a multiplicity of financial woes but neither sought to lend credence to an expectation of community responsibility by the educational administrators.

While not necessarily denying the objects of expressed aims, there arises the question of why these groups, both comprised of persons of above average formal education, must confine their thinking and problem solving to existing "knowns" with a seeming lack of comprehension as to either real problem, tax payer favored solution, or variables to a theme.

Concentrating, for illustration, only on that list produced by the GCSBA, the association calls first to be permitted to share in the resources of federal revenue sharing.

Next it asks that adequate financing by an updated revision of the Minimum Foundation Education Program to enable all school districts to meet at least the minimum requirements for "A" accreditation, and then that efforts be made to produce and increase all 16th Section land revenue.

Fourthly it calls for adequate financing of the Educational Finance Commission (from \$750,000 to 1 million) to provide for the building needs of local school districts.

Roughly speaking it could be said these four items deal with school classroom teaching, construction and renovation, but - nowhere does the group recommend greater utilization of existing structures, or the imposition of a 12 month school schedule to better spread the load, and provide for a less

expensive overall operation through constant building use. Nor does it at this time indicate that such action would increase the state's (taxpayers) debt and require a much increased share of local and local matching (taxpayer) funds.

The educators then ask for an equalized assessment of property... but spread the butter thicker by asking back to back for a millage rate which will bring about a more equalized local contribution to education. Asking, in the next breath, for a millage ceiling hike from 25 mills to a minimum of 30 mills.

Nowhere do they offer to trim their non-fulltime classroom teacher force or attempt to answer how the average wage earner, hit harder than the now well rewarded administrator with inflation, can meet the increased millage when he is already having to constantly lower his own standard of living to maintain a home and family.

Request number seven calls for a state appropriation for transportation of all public school children, and eight, nine, and ten, for adequate funds to meet the requirements of Public Law 94-142, the increase of supportive services from \$1800 per teacher unit to \$2000 per teacher unit, and a self-insurance plan for school buildings throughout the state.

Although showing merit, nowhere does GCSB state where the taxpayers are to find money to fulfill these requests or, in the case of the buses, support such operation, except again through increased state level taxes, although none doubt the necessity of the supportive service increase should such not be available through the deletion of unnecessary items currently being carried in the school budget.

The next four recommendations also call for considerable taxpayer outlay, a change in the law to permit bond issues

to be passed on a simple majority vote; a system of tax sharing to enable districts to participate equally in tax revenue; permit teachers to share with other state employees health benefits or provide a minimum of \$300 per teacher unit for supportive services to help districts defray the cost of health insurance; provide state funds for sick leave benefits now supported by local districts.

Bond issues having provincial interest probably, need a thorough voter representation to prevent any undue, although perhaps possibly confined interest, from influencing the count, at least it is suspected that was in the minds of the legislature at the time of law enactment.

The system of tax sharing applies more to upstate counties than coastal but is interesting in its concept and probably makes obvious more than anything the subject not mentioned in any list - consolidation.

Of the balance of items, one calls for a change in time and place for election of school board trustees of annexed areas and for other related purposes, and the final, that one set of school laws be made applicable to all school districts.

Nowhere is it recommended that school board composition be all elected or all appointed, but in the Mississippi School Boards Association resolutions (Principal 3) it is noted that... "There shall be one set of law governing school district operation applicable to all school districts. Except for the manner of selection of board members and superintendents, the statutes that apply to municipal separate school districts shall apply to all districts."

In other words, the move is to have all superintendents appointed by the school board, not elected by the populace.

Nowhere did the GCSBA, at least in

the released version of their priorities, face the question of a split year, to cater to the increasing cost of energy and student welfare in adverse weather; nowhere was there contained a priority to work with individual community governments in maintaining existing tax structures and determining, in joint session, how the educational system could be maintained within the existing community financial structure; nowhere did the GCSBA invite public hearings on school finances, course requirements, revenue sharing fund expenditures, student classroom requirements, or teacher needs at the classroom level.

And again, neither did they recommend the school districts consolidate, and provide, at least part of the solution of a host of financial ills.

The need of the schools in Hancock County, as is the need of the schools across this land, is to provide the best available, at a fair price, to the classroom teachers and the students.

For this, a county of this size needs one school system, a minimum of overhead, and a maximum of classroom utilization at all levels of elementary, secondary, and adult education, including as many occupational opportunities for girls as boys.

In at least one state all schools have consolidated into a single system, thus assuring centralized accounting, purchasing (including energy), maintenance expertise, personnel hiring, scheduling, and operations control.

It may even make more sense if the GCSBA investigated the feasibility of a super-merger and include all the six-coast counties under one administration.

Should such be better for the student and classroom teacher, and more feasible to the taxpayer, it too may be brought about by a majority vote.

I recently issued an executive order establishing a "Friendship Force" in Mississippi.

Basically, the Friendship Force is a non-profit, private organization which is charged with promoting peace in the world through the force of friendship. It will accomplish this goal by creating an environment and opportunity for citizens of Mississippi to establish personal friendships with the citizens of other countries through personal visits.

The Friendship Force will be part of a national exchange program that hopefully will include all states in the United States.

These will not be "vacation trips." In fact, the participants cannot even select the country they will visit. The countries are assigned. We want to make sure that no one gets the idea that this is an inexpensive way to take a group vacation.

These will be goodwill missions, and participants will serve the same functions and have the same duties as official goodwill ambassadors.

The idea is that when people from different countries live together, eat together, and talk together, good things can happen.

Each participant will pay \$250 to take part in a 10-day exchange, regardless of the distance travelled. The low cost is possible because individuals, corporations and foundations are making gifts to help the program.

Participants in the program will be selected by a committee. They will be chosen on a basis to provide a broad cross-section of Mississippians. For the most part, people of similar background will visit together. For instance, a Mississippi doctor would stay in the home of a foreign doctor, a bricklayer with a bricklayer, and an accountant with an accountant, etc.

I'm excited about the Friendship Force and its possibilities for furthering world peace and understanding. I like what President Carter had to say about the program: "This is the kind of involvement that each of us can do that is a little above and beyond government."

## HEALTH TIPS

### CARBON MONOXIDE

A silent killer may be loose in your house.

The criminal is carbon monoxide - CO - a colorless, odorless, tasteless gas produced every time a carbon-containing material burns.

The American Medical Association points out that CO combines with blood 200 times more easily than oxygen. If you breathe air containing a normal amount of oxygen and a moderate amount of carbon monoxide, your blood will be starved for oxygen. When blood cannot supply oxygen to your brain, permanent brain damage or death may result.

Dangerous quantities of CO accumulate when a cool, slow fire burns in limited air space. Since you can't see, smell or taste it, the gas is hard to detect except by your symptoms - drowsiness, headache, tightness across the forehead, confusion, nausea and muscular weakness. CO poisoning may confuse you so that you cannot reach fresh air to relieve the symptoms and prevent serious injury.

To prevent a carbon monoxide attack in your home -

-Have all heating systems checked annually for operating efficiency. Make sure that vents, pipes, flues and chimneys are tight.

-Make certain your heating plant is not starved for air.

-Be sure that all heating devices designed for venting are properly vented to the outside.

-Provide additional fresh air for charcoal grills and hibachis used indoors. Better still, don't use these charcoal cookers indoors.

-Never tamper with ducts or vents of a heating device to get more heat out of it.

-Be sure that heating devices have been tested by a reputable firm. Follow the manufacturer's recommendations for installation and use.

-When changing types of fuel, ask a qualified serviceman to adjust all appliances involved.

-Don't close your fireplace damper until you are certain the fire is entirely burned out.

## Letters to the Editor

### Panama Canal

October 31, 1977

Mrs. Joe Williams Pilet  
Bay St. Louis, Mississippi 39520

Dear Mrs. Pilet:

First let me warmly thank you for your recent communication concerning the Panama Canal treaties. After returning from the Labor Day recess, I talked with the President about it as well as the Chairman of the Joint Chiefs of Staff and others. I remain unconvinced at this time, that we should adopt these treaties that are now being proposed. I enclose a statement I made after that meeting.

Regarding the hearings of the Senate Armed Services Committee to which I referred in the statement, I have in mind developing the complete facts relating to the operation and security of the Canal.

I have stated publicly my belief that Panama alone cannot adequately protect the security of the Canal since it is a small nation without the manpower and resources to do so. I believe that if a change is made at all, then the other countries of Central and South America should be required to make firm commitment on what they will do to help protect the Canal against sabotage, guerrilla warfare or actual military threat.

This matter will continue to have a high priority with me in the weeks ahead.

With warm good wishes, I am  
Your friend,  
John C. Stennis  
United States Senator

### Area hospitality

November 5, 1977

Editor  
The Sea Coast Echo

Dear Sir:

This is a long overdue letter. A year ago I came to Bay St. Louis to begin a ministry for the churches of Christ. Since then, the warm hospitality of the churches and the people of Bay St. Louis has been graciously received by the

residents of the Bay-Waveland area and your hospitality has been very gratifying. The cooperation of area residents in our Campaign for Christ in both Bay St. Louis and Waveland could not have been better. For all this we are most grateful.

We know little or nothing about the politics of this area, being newcomers. However, I had the privilege of dealing with City Hall just a few days ago and it was so different from any previous dealing with any other City government I have ever dealt with I wanted to let the folks here know about it. Back in early March the Church finalized a deal with Mr. Webb and Judge Russell, purchasing the property on Pine Street across from Bay High School for a future building. (We hope to begin construction very soon.) For legal purposes we needed to know the new church address. I called the Mayor's office. His secretary answered courteously, did not put me on hold, did not refer me to anyone else, but with an obvious attempt to be helpful, efficiently answered my questions, gave me an appointment with the Mayor and went beyond the call of duty to help us. I almost believed this kind of attitude and treatment was non-existent. The people of Bay St. Louis are very fortunate to have a City government so responsive. Oh, I know it isn't perfect. But such a refreshing change. It made my day!

Oh yes, Bay St. Louis and Waveland have some of the most interesting people I have ever met. Particularly some of the older people would make for very interesting reading. There is a Mr. Roy Faye on St. George St. Still teaching piano and playing beautifully though he is now in his eighties. Miss Clara Kesteven on Carroll Ave. has a tremendous knowledge of the history of this area as well as many others I could name. Interviews with interesting people such as these could add a dimension to the Echo that would be much appreciated.

Sincerely,  
Doug Lowrance

### Viewpoint

Nov. 8, 1977

Sea Coast Echo  
Bay St. Louis, MS

Dear Sir:

Recently, I read a newspaper story

It stated that there is a school of thought that the South and more so the state of Mississippi is so industry and money hungry that the South (or in this case the State of Mississippi) will accept terms that are unacceptable to other states.

I hope that this is not true, but the DuPont Plant in western Harrison County does not appear to be so.

The State of Mississippi has agreed to build at the Port of Gulfport a facility with railroad transportation that is the best, I read this in this newspaper story. I read where this same structure in Pennsylvania is not half as large or as nice for a larger plant with more jobs provided there.

Also, I read, the State of Pennsylvania demanded and the DuPont Corporation gave in for what is said to be an expensive but sufficient sewerage treatment and placement plan.

It stated the State of Mississippi demanded half as much as the State of Pennsylvania.

What Mississippi would accept could well pollute the St. Louis Bay and the layer of drinking well water that many cities and people use.

I have a private water well. The water is good. Please, don't allow it to be ruined for some large, private and profit seeking corporation.

On another matter, please continue to be tough but fair with another large private corporation, American Telephone and Telegraph or South Central Bell.

Please don't allow a 25 percent increase in the proposed monthly rates under bond at this time. I cancelled my phone in response to a rate increase from \$18 a month to \$20 a month.

Please stop the 25 cents pay phone or charge for information.

The State of Mississippi offers a good life, please don't ruin this. Don't allow a greedy corporation to change God's country.

Berthold R. Seal

Route 3, Box 342  
Bay St. Louis,  
Miss. 39520

### REAL CHALLENGES DOWN THE ROAD

Though the Mississippi Legislature has just recently completed two special sessions and is contemplating a third, eyes are already turning toward the regular session which gets under way in less than two months.

### State Street

To the Editor  
Sea Coast Echo

Dear Sir:

Bay Saint Louis has begun to raise its head high again. With our newly elected candidates in office and all indications of doing a good job. With our projection aimed high, we really are making progress much more than the last eight or ten years. Seemingly to seek justice for all. What with plans for an overwalk at Dunbar Ave. and Highway 90 (that being for the safety of our school children), the improvements of Main Street (another safety measure for the children), and still another suggestion and interesting idea to make the L&N area a park, are all good ideas for improvements (and I might add the L&N site is an ugly sight right now).

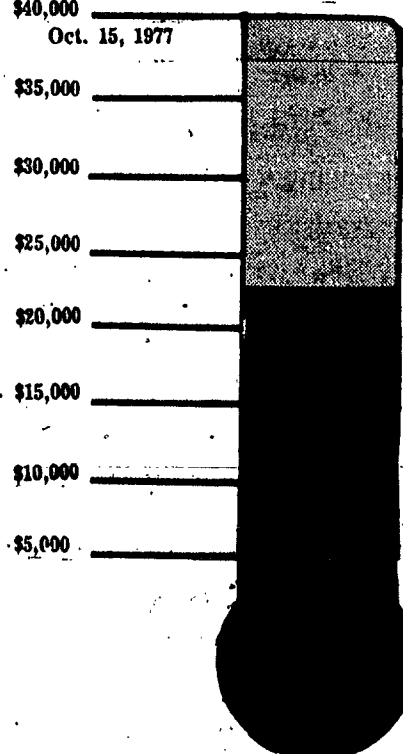

Traveling along on Highway 603 and into the Kiln-Dellale road, low and behold, another sight of beauty. Also the same being true of an entrance to I-10, all paved with blacktop (at the intersection of the Kiln Business part) and crescent shaped driveways. Along side of the road there appeared to be paved parking area, and most all side roads had paved entrances. All through our wooded areas we find nice hard surfaced roads.

Now what I began to wonder if this isn't a part of our tax dollars at work in the form of those improvements? What about State Street, isn't it in the Second Ward of Bay Saint Louis, Hancock County? State Street from Dunbar to a dead end toward Highway 90 with its lake front swimming pools, and sking ponds because of no drainage. The drainage systems are in the middle of the street, and that is none. I've been told in the past that it is not known why State Street was made into a street. I think it was because of progress and there are many more State Streets in Bay Saint Louis. So while tax dollars are flowing, our S.O.S. is saying, please come to our rescue.

One of your citizens of Hancock County, and a registered voter of Bay Saint Louis, thanking you in advance.  
Sincerely,  
Mrs. Gerry B. Lang

## Buccaneer Crew Notes

by DIDDY QUINLAN

Well Friday begins a new program at Buccaneer Park. At 9:30 a.m. Ms. Wilma Miller and Ms. Eva Manieri will begin teaching a class in the

### News of St. Clare's

#### FAMILY NIGHT

St. Clare's Home-School Association will sponsor a family fun night Friday, Nov. 11, starting at 7 p.m. in St. Clare's hall. The public is invited.

#### HOME, SCHOOL MEET

Open house for visitation of classrooms at St. Clare's School will be held from 7 to 8 p.m. Tuesday, November 15. Home-School Association meeting will follow in parish hall.

#### RECOLLECTION DAY

A day of recollection for Kindergarten mothers will be held in St. Clare Church Wednesday, Nov. 16, starting at the 8:45 a.m. Mass and continuing until 2:45 p.m.

#### MASS SCHEDULE

St. Henry's Mission  
Mass Saturday 7:30 p.m.  
Sunday Masses St. Clare Church - Saturday 6 p.m. Sunday 9 and 11 a.m.  
Masses Monday, Tuesday, Thursday and Friday 7 a.m. in convent chapel. Wednesday 8:45 a.m. in church.  
Confessions Saturday 5 to 5:30 p.m.  
Baptisms by appointment by calling the rectory 467-9275.  
Sunday School Grades 3 through 6 Monday from 8 to 4:15 p.m. at St. Clare School.

#### CONFIRMATION CLASSES

Confirmation classes for students, grades 7 and 8 and above not attending Catholic School, will be held from 7:30 to 8:30 p.m. Nov. 14, 21, and 28 in St. Clare Church.

#### BIBLE STUDY

Bible study programs are being held every Tuesday from noon to 12:45 p.m. in the parish meeting room at the convent and on Fridays from noon to 12:45 p.m. at Waveland Civic Center, Coleman Avenue.

#### ALTAR BOYS

Rt. Rev. Magr. John Scanlon, pastor St. Clare Church, announced altar boys have been given their assignments for serving at the altar; parents are asked to have them attend.

arrangement of dried and natural materials. This "hobby horticulture" class is FREE to all participants and will be conducted every other Friday in the recreation hall at the park. For participants with pre-schoolers, activities will be provided for those children. The course will include ideas on transplanting, drying and arranging natural materials. This is a very popular craft and many people enroll in college courses and municipal recreation programs (with the accompanying fees) to obtain the same results our participants will get for free. We hope that anyone interested in this craft will take advantage of this offering.

A ladies' exercise class will begin on Tuesday evenings from 5:30-6:30 p.m. This will be a weekly class beginning Nov. 29 and will include not only exercise but also include ideas on nutrition and health. This is another free class open to all ages—the more the merrier. Anyone interested should call 467-3822 and leave her name and phone number.

More classes like these will be forthcoming and I will be glad to take any suggestions on ideas for new activities. Another program just beginning is our movie schedule. With films from the Mississippi Library Commission we will begin showing movies every Monday beginning at 7:30 p.m. What an alternative to Monday Night Football! The movie scheduled for Nov. 14 is "In Search of Ancient Astronauts". All showings are FREE of charge.

We desperately want local residents to take advantage of their park, so I would like to offer as many programs as may have appeal to those who should use the park. These are free programs and there is no reason why we shouldn't utilize and benefit from this facility.

9 Ethiopia: The Hidden Empire

#### VA news

Q - If a widow dies with a previous month's uncashed VA pension check in her possession, what should be done with the check?

A - It should be returned to the issuing office. It may subsequently be paid upon submission of a valid claim by a survivor or other eligible person.

Q - I've already bought a burial plot in a private cemetery. Will VA pay my widow the "plot allowance" when I die?

A - Yes, your survivors are still eligible to receive the \$150 plot allowance in addition to up to \$250 in basic burial allowance. Payment up to \$800 may be made when death is service-connected.

Q - I was disabled in World War II and the Veterans Administration gave me \$1,600 toward the purchase of an automobile in 1949. Now that this allowance has been increased to \$3,300, am I entitled to the difference on another car?

A - No, but VA may assist in providing or maintaining adaptive equipment on your present or future cars. See your nearest VA office.

#### RESOLUTION RECOGNIZING THE ATHLETIC ACHIEVEMENT OF JOSEPH "DOC" RHODES

WHEREAS, it has been called to the attention of the Board of Supervisors of Hancock County that Joseph "Doc" Rhodes, a life-long citizen of Bay St. Louis, has been participating in international weight lifting events in Perth, Australia in the 165 lb. class, and

WHEREAS, the said Joseph "Doc" Rhodes is now the new Amateur Athletic Union Power Lifting Champion who pushed 1553 pounds over his head to capture the title, and

WHEREAS, the said Joseph "Doc" Rhodes has won many titles in the weightlifting events held nationally and internationally and has caused Hancock County and Bay St. Louis to get some favorable publicity because of his residing in Bay St. Louis all of his life, and

WHEREAS, the Joseph "Doc" Rhodes should be recognized and commended for his superior achievements throughout the world in weightlifting events,

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Hancock County go on record as recognizing and commending Joseph "Doc" Rhodes, of Bay St. Louis, Mississippi, for his great achievement in becoming the new World Athletic Union Power Lifting Champion in the 165 lb. Class, and also in recognition of his achievements in weightlifting events throughout the United States and internationally.

The motion for the adoption of the foregoing resolution was made by Supervisor James N. Travica and duly seconded by Supervisor Sam Pernicaro, and unanimously adopted.

Published by order of the Board of Supervisors, this the 7th day of November, 1977.

John D. Rutherford, Jr., Clerk  
Board of Supervisors  
Hancock County, Mississippi

You are cordially invited to attend

### HANCOCK COUNTY SENIOR CITIZENS ART SHOW

Hancock County Library  
Bay St. Louis, Mississippi  
Highway 90

Reception Friday November 11, 1977 10:00-12:00 a.m.  
Show will hang through November 30, 1977

## Aims of education week are outlined

Educators in Hancock County and the cities of Bay St. Louis and Waveland, must be supported outside the classroom by parents and other citizens who care and who join in expressing their concern in action, sponsors of American Education Week point out. This year's observance is November 13-19.

"If we do not concern ourselves with the schools, we are forfeiting some of the responsibility we share for the future of our state and country," said John E. Ashley, Executive Secretary of the Mississippi Association of Educators. "Our care, on the other hand, can help minimize the pressures of current crises, and it can lighten the darkness of the unknown that lies ahead." He noted that the American Education Week theme this year is "Working Together for Education."

Sponsors of the observance, including the National Education Association, MAE's affiliate, have noted a number of approaches for expressing this care in action. They are:

Ask educators how you can support their activities at home and in your neighborhood; Learn the objectives of various types of instruction and explain those goals to students;

Encourage students toward an awareness that the schools belong to them as well as to adults;

Help students involve themselves as completely as possible in their learning by showing that intellectual curiosity is natural and valuable - For example, encourage them to view the programs on television that focus on current events, or American history, or the various peoples, animals, plants, customs of other parts of the world;

Foster student's interest in educational television programs that might supplement their classroom studies.

American Education Week, observed annually since 1921, seeks to encourage local citizen support and active participation in the improvement of education.

This year the program will stress the joint efforts of educators, students, and parents, to increase educational awareness in their local community.

Sponsors in addition to the Mississippi Association of

Educators and the National Education Association are the American Legion, the National Congress of Parents and Teachers, and the U.S. Office of Education.

#### PRAYER MEETING

The Charismatic prayer group meets 7:30 p.m. every Thursday in St. Augustine Seminary cafeteria. Everyone is invited.

The United Way Emergency Relief Fund gives immediate assistance to those in need.

New book review *City-County Public Library* by Prima Wusnack

**TERRI ZENGARLING MEMORIAL**—Mr. and Mrs. Herbert (Bully) Zengarling, parents of Terri Kay Zengarling who died in a September, 1976, auto crash, present a \$100 check to Prima Wusnack, library director, in memory of their daughter who was an avid supporter of the library. Ms. Wusnack said the funds are to be used at the Kiln branch library. (Staff photo-Edgar Perez)

**LIBRARY EXHIBIT**—Library Director Prima Wusnack, left, and artist Deborah Yarbrough consider one of Ms. Yarbrough's paintings which are among acrylics, pastels, pencil and pen and ink drawings on exhibit this month at the Bay St. Louis Library on U.S.-90. Ms. Yarbrough is a native of Greenville, fine arts graduate of Delta State College and Bay St. Louis resident. (Staff photo-Edgar Perez)

By PRIMA WUSNACK  
The following books can be obtained through any library of the Hancock County Library System:

**ALL THINGS WISE AND WONDERFUL**, number one on the New York Times best seller list of non-fiction, takes up where **ALL THINGS BRIGHT AND BEAUTIFUL** and **ALL CREATURES GREAT AND SMALL** leave off in the life of veterinary surgeon, James Herriot.

**STRANGER IN THE MIRROR** by Sidney Sheldon. The author of **THE OTHER SIDE OF MIDNIGHT** tells this tale of an all too brief, passionate love between a great star and a beautiful starlet.

**THE HONORABLE SCHOOLBOY**, number three on the New York Times best seller list of fiction, by John le Carré. le Carré's last book, **TINKER, TAILOR, SOLDIER, SPY**, ended with the devastating unmasking of

a double agent at the heart of the British Secret Service. Now, in **THE HONORABLE SCHOOLBOY**, George Smiley—who has assumed the unenviable job of restoring the health and reputation of his demoralized organization—goes over to the attack.

**THE HURRICANE WAKE** by Rosalind Wiseman is a gripping novel of horror and suspense set in the wild backcountry of Jamaica.

**DEAR ME**, Peter Ustinov's autobiography sparkles with the satirical panache of his

Coins from still another country, the U.S.S.R., are available here in proof-like sets. Each set includes an official Leningrad Mint token and nine coins representing all the coins in circulation in the Soviet Union. For further details on how to order these collector coins write to: Paramount International Coin Corp., Dept. 240, One Paramount Plaza, Englewood, Ohio 45322.

best performances and the cosmopolitan sophistication that captivated in his plays, novels, and short stories.

**DARK DESIGN** by Philip Jose Farmer continues the adventures of Sir Richard Francis Burton, Mark Twain, Peter Frigate, and millions of

others, from various times in the history of Earth, who have all been mysteriously resurrected on a strange planet known as Riverworld.

**COLD HAND IN MINE** by Robert Aickman. These eight stories draw the reader irresistibly into eight strange

worlds—uncanny, enigmatic, unearthly. In each there is something chillingly wrong—a hint of diabolism or vampirism, of reincarnation or the living dead—all of which could be explained away as hallucination or hysteria. Or could it?

**Hamilton named Fund chief**

Dee Hamilton, Gulfport banker, has been named the 1978 District 9 Heart Fund Chairman, according to George Dale, State Heart Fund Chairman.

In making the announcement, Dale said, "After a successful 1977 campaign, we are extremely fortunate to have Mr. Hamilton serve on our Heart Team. I am confident his leadership in the Heart Fund will contribute significantly to the overall success of the state campaign." Dale pointed out that the \$43,968 raised in District 9 this past year is helping fund the life-saving programs of the association including research, high blood pressure screenings, training in cardiopulmonary resuscitation (CPR), and professional and public education.

As leader of the District 9 campaign, Hamilton will coordinate the efforts of the Heart Fund Chairmen in Hancock, Harrison, Jackson, Pearl River and Stone Counties.

Stressing the vital need for public support of the Heart Fund drive, Hamilton noted that over 11,000 Mississippians will die from heart disease

this year—representing more than 50 percent of deaths from all causes. He urged local residents to volunteer their time and to give generously to the 1978 Heart Fund.

Bay St. Louis Hwy. 90 467-9001**PROCLAMATION**

WHEREAS, We Americans hold freedom as our birthright, cherishing it as the basic condition to our way of life, and

WHEREAS, our freedom was won in the agony of armed conflict and has since been preserved through the willingness of gallant Americans—men and women—to risk their lives for the perpetuation of the American way of life, and

WHEREAS, there are millions of these men and women in all walks of life today who have met the greatest demand of citizenship—honorable military service in time of war, and

WHEREAS, the services performed by these millions of American veterans have demonstrated the willingness of our Nation to meet the challenge of armed aggressors who have threatened our freedom and the cause of individual determination throughout the world, and

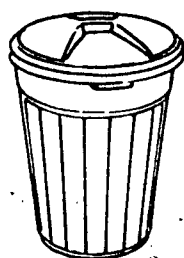

WHEREAS, the Nation and the free world are eternally grateful for the contribution of American veterans to the advancement of the cause of an honorable world peace, and WHEREAS, it is fitting and proper that a day be set aside to honor those who have served our Nation honorably in time of war, now

THEREFORE, we, Alton A. Kellar, president, Hancock County Board of Supervisors, Larry J. Bennett, Mayor of the City of Bay St. Louis, and John Longo, Jr., Mayor, City of Waveland, do hereby call upon all citizens to observe Friday, November 11, 1977, as Armistice Day, and ask that the day be observed with appropriate ceremonies in honor of those who served in behalf of the national purpose to preserve the principles of Justice, Freedom and Democracy.

We further call upon all citizens and business firms to mark this day with the proud display of the Flag of the United States in reaffirmation of our national unity and pride and in rededication of our national ideals.

IN WITNESS WHEREOF, we have hereunto set my hand and caused to be affixed the official seal of the City of Bay St. Louis, Mississippi this 7th day of November, 1977.

## Rider ruckus...

(Continued from Page 1)

He said parents have called him to complain that such a restriction is "cruel and unreasonable."

Damiens and board members agreed that total silence is "too harsh" a restriction to impose on children.

But Damiens insisted he had no other alternative.

"I've had one jump out of the window and another—a first grader—lie down under the front wheel of the bus. He thought it was a joke," Damiens reported.

"I've tried reasoning with them for four years," Damiens said in urging the board to establish a bus behavior policy or reaffirm existing regulations.

"I never thought in the last 19 years that I would ever be saying I couldn't control a bunch of kids, but I cannot," stated Shirley Shubert, another Gulfview driver.

"The driver before me had a heart attack," Damiens said, "and the one before that cracked up."

Earlier in the Monday meeting, the board approved changes on two Gulfview routes to relieve overcrowding.

Damiens said he has been transporting some 80 students on a 56-student capacity bus.

Ms. Shubert said her 66-passenger bus is currently bringing some 103 students to school.

Both Damiens' and Ms. Shubert's routes are reduced by some 15 passengers by the board-approved changes.

Board member Woodrow Ladner told bus drivers at the meeting when they encounter uncontrollable behavior on their busses to "take them back to the school and let the principal call the parents to come pick them up."

"Somebody is going to get hurt if you can't pay attention to your driving," he said.

"Your first duty is safety in your driving," Ladner pointed out.

"If you can't handle certain people on your bus, get rid of them," said board member Louie Ladner in deploring the illegal behavior on busses.

Board Attorney Joseph Gex told drivers they must channel disciplinary action through the principals.

"And if a principal doesn't support you, refuse to drive and come back before this board with your problem," Woodrow Ladner told the drivers.

Damiens said students are propping large nails against bus tires. Haskins said such pranks have resulted in flat tires on buses at HNC as many as seven times in recent weeks.

Superintendent Terrell Randolph told bus drivers if behavior on buses endangers the safety of the bus "...it is your duty to refuse to drive them."

"It is a privilege to ride the bus to school—until the rules are broken," Randolph said, noting that Mississippi state law calls for the revocation of bus riding privileges if the State Board of Education's code of conduct is violated.

"It shall be the duty of passengers transported in school buses owned or operated by public school districts to conduct themselves in an orderly manner," according to state law which Randolph read at the meeting.

"The passengers shall abide by rules and regulations of the State Board of Education, and rules and regulations adopted by the boards of the respective school districts," the law states.

Bus behavior regulations approved by the State Department of Education prohibit:

- Smoking or use of intoxicants.
- Fighting and hussling.
- Striking or threatening bus driver.
- Using profane language or making obscene gestures.
- Carrying deadly weapons.
- Making excessive noise.
- Throwing objects.
- Committing any other act of improper conduct.

Hancock County School District instructions for pupils who ride school buses include the following:

- Do not distract the driver's attention other than when necessary.
- Talk to your friends in a normal tone and do not shout.
- Do not talk or make unnecessary noise when the bus is approaching and crossing a railroad or highway intersection, keep head, hands and articles inside the bus.
- Do not bring unauthorized articles on the bus (such as pets, combustibles,

large articles, weapons).

-Do not smoke or use profane language.

-Do not fight or scuffle.

-Be courteous to and follow the instructions of your bus driver and safety patrol.

In other action Monday, the board authorized Randolph to request a study by the State Educational Services Department of the Hancock County school's need for capital improvements bond issue.

"Don't you think we need another high school," asked board member Oris Ladner.

Randolph told board members Hancock County School District "...has one of the highest assessed valuations in the state."

"And we don't have a vacant classroom in the entire system," Randolph added.

"If you take 200 students away from Hancock North Central, you will only be relieving the trailers," the superintendent said.

He said there are seven trailer-classrooms at HNC.

The board approved a motion by Louie Ladner requesting the state study of Hancock educational needs.

"We need a package of information to sell the people on the idea of a bond issue," said Woodrow Ladner.

"We can get a free service from Jackson on an evaluation of our needs," Woodrow Ladner added.

Randolph noted that success of suits already filed to bring an equalization of assessment in Mississippi, and for the participation of school districts in federal revenue sharing funds will mean considerable added revenue for Hancock schools.

Also at this week's meeting, the board heard a report from Haskins on a planned open house at HNC Tuesday, Nov. 29. "We are going to make some changes that may make some people unhappy," Haskins said. "Parents need to be aware of the changes we are going to make," he said, adding, "We are going to make curriculum changes."

The board also answered an inquiry from a taxpayer concerning quality of education in the county. Randolph said it is a national problem that "...rural districts do not perform as well as middle urban districts."

In Hancock County, Randolph said, "Community pressure is unlike any other county in Mississippi—community pressure is one of the big reasons our principals and superintendents have been removed."

"We need to get away from social promotion in the first four grades," the superintendent feels.

"In the 1960's, psychologists and sociologists felt it was better to promote regardless," he said, adding, "We may recover from the results of that in another ten years."

In other action, the board:

-Tabled an agenda item to set a five-day leave policy for principals.

-Referred back to Harlin Hill, principal of Gulfview Elementary, for further clarification a letter of resignation from Gulfview teacher Frances Greer.

-Approved lease of 2.15 acres of 16th section land (16-9-16, parcel 5) to Charles Green for 25 years at a yearly rental of \$325.

-Extended the contract for services until Christmas holidays of Mrs. Yvonne Williams, cafeteria purchasing agent.

-Approved employment of Joseph Leech as driver for Anley bus route No. 19 in afternoons only.

-Approved expenses for Haskins to attend Mississippi School Boards Association workshop in Hattiesburg Nov. 9.

-Approved expenses for J.D. Penton, principal of C. B. Murphy Elementary, James O'Hara, principal of HNC Elementary, and James Harrison, HNC assistant principal, to attend MSBA workshop in Laurel Nov. 10.

-Approved expenses for superintendent, board attorney and board members to attend MSBA workshop in Jackson Nov. 15, 16 and 17.

-Approved claims docket for October.

-Approved coach's supplemental pay, retroactive to the beginning of the school year, for Danny Howard.

The next board meeting is scheduled for 8 a.m. Saturday in the Youth Center courtroom on Court Street, Bay St. Louis.

## Battle lines drawn

# Hawks prune feathers, Pirates hoisting sails

### Hawks' nest

By ELLIS CUEVAS  
"We will be ready by game time. Our players are hoping for a good battle. The Hawks are proud of being the only team on the Gulf Coast undefeated, and we are hoping to remain that way after the Pirate battle Friday," Hancock North Central coach Irvin Favre, said yesterday.

He said, "I haven't talked to a Hawk supporter that won't be at the game. Our team has done a fine job this season on their way to a 9-0 record. Our squad has done a good job staying together in every game, we haven't been behind this season."

Coach Favre, in his seventh year as head coach at Hancock North Central, commented that this is the best team with which he has ever been associated in his 11 years of coaching.

When asked about any stars on his team, coach Favre said, "We really don't have any super stars, we just have a good all around football team, everyone giving good effort each week."

"I love Hancock North Central, we have been building a football team for years and we really started to jell a couple years ago."

"It's a tribute to our team this season having broken all winning records in football. I am planting my roots and planning on making HNC my permanent home," coach Favre mentioned.

Favre closed by saying, "We don't have any disciplinary problems with the football players, we are just trying to have a good football team each year. We know that our team gives 100 percent effort each game, and our coaching staff is proud of the football program in all areas at Hancock North Central."

The Hawks last week in the rain defeated their next door arch rival Poplarville, 20-6. Hancock County School Superintendent of Education Terrell Randolph was asked Tuesday about his thoughts of the Hawk game Friday night.

His comments were: "As usual the Hawk, Pirate contest will be a spirited event. The game is traditionally a hard fought contest, because of the close relationship of the student bodies of each school. Most of the football players know each other, on a personal basis and in many cases are directly related. I personally know the feeling and tenseness leading up to this football game because I personally experienced it for three years as a coach of the Hawks."

"The Hawk football team has instilled much pride among the HNC student body and fans this year. The school administration hopes that Hawk fans will turn out in large numbers to support a football team that has proven itself to be the best ever at HNC."

By ELLIS CUEVAS  
The Hancock North Central Hawks will be out to establish a perfect season Friday night. The Pirates of Pass Christian will be out to defeat the high flying Hawks on the Pirates home field.

The Hawks are the only undefeated high school football team on the Gulf Coast. The Pirates have lost only one game this season by two points to Singing River Conference leader d'Iberville.

The Hawks have signed to play in the Pickle Bowl at Wiggins on Friday, Nov. 18. The Pirates have been invited and accepted an invitation to play in the Jaycee Bowl at Long Beach on Saturday, Nov. 19. Both teams want to go to those bowl games with another victory.

The largest crowd ever to witness a football game in the Pirate stadium should be on hand Friday night for the 7:30 p.m. kick-off.

### Bay High seeks two victories in a row

By ELLIS CUEVAS  
The Tigers of Bay High will journey to Biloxi on Friday to visit the St. Martin Yellow Jackets. The Tigers, fresh from a Homecoming victory over St. John, 8-0, last Friday will be trying for their second victory in a row.

"We received exceptional effort on defense from Daniel Edwards, Hewitt Parsons and Jim Gilmore. Running back John Seiley, quarterback Dwayne LaFontaine and tight end Scott Thomas were great on offense in our Homecoming victory," said coach Rhodes Monday.

Coach Rhodes said that the victory should boost the team's spirit for the upcoming tilt with St. Martin. We hope that Larry Jackson and James Coe, both out with injuries will be fully ready to go at the Yellow Jackets. Physically we should be better off for the St. Martin game than we were for St. John.

The Bay High Tiger fans have had little to be happy with this season's seven losses in a row, after an opening

victory, away, at Notre Dame. Coach Rhodes put emphasis on the fact that his team is a young team with only four or five seniors as starters during this season.

"Our team has a lot of fine young players. St. John was the largest team in size that we have played this season. The win should be a big boost on them in future games," stated coach Rhodes.

Coupled with last week's victory, the Tiger squad are in hope of a large group of Tiger boosters making the journey to St. Martin.

### Bay Junior High plays St. Martin

By ELLIS CUEVAS  
Coach James "Snuffy" Smith, head coach of the Bay Junior High Tigers will send his team against the undefeated St. Martin Yellow Jackets tonight in Tiger Stadium.

The Bay High Tigers are now 6-2-1 for the season, losing only to Pass Christian, in overtime and to Long Beach. The Tigers also played to a scoreless tie with Vancleave.

"We were really rolling the first of the season, shutting out our first three opponents. Several injuries slowed us down a bit," stated coach Smith.

"St. Martin is undefeated with only a tie with Vancleave on their record. I feel we are the best Junior High team in the conference. We have had several starters who were out a few games that kept us from being as competitive, as we

could have been this season," coach Smith added.

The Junior Tigers are a squad of 38 from the eighth and ninth grades. Two of the key Tigers that have been out since the third game are Kenneth Morgan and David Strong.

Last Thursday the young Tigers defeated St. John 18 to 14 in a thriller.

This season coach Smith's Tigers have scored 196 points to their opponents 78.

With St. Martin scheduled to sign for the Mullet Bowl last night, coach Smith feels that this will make his team want to show their supporters that they are champions by defeating the Yellow Jackets tonight. Kick-off time is 7:30 p.m. in Tiger stadium, Bay St. Louis.

### News in brief

HOLLOWAY VISITS  
David Holloway, admissions counselor with Mississippi College, will be visiting in Biloxi on Wednesday, November 16, for the Mississippi Personnel and Guidance Association Convention.

### Pirates' den

By ELLIS CUEVAS  
"We are trying to get ready for the Hancock North Central Hawks, any team with a 9-0 record has to be a good team," stated Pirate Coach Bob Rogers, Monday.

The Pirates last week were victors by a score of 13-12 over rival Long Beach in a game played in the rain. Long Beach is an "AA" rated school which was one of several "AA" rated schools on Pirate schedule defeated by Pass Christian this season.

The Pirates and Hawks are both "A" schools, so class of schools will be even for the big game.

After the victory over Long Beach, coach Bob Rogers had high praises for his team effort. Sophomore Gene Lang had a good night against the Bearcats in picking up 123 yards on the ground.

Getting back to the Hawks, Coach Rogers continued, "they are the first team that runs the wishbone that we play this season, we will make the necessary adjustments in our defense for the game."

The Pirates should be at 100 percent by kick-off time Friday. Pass just has a few bruises from the Long Beach contest.

The big game kick-off time is 7:30 p.m. in the Pirates den.

## ANNUNCIATION SCHOOL TURKEY BOWL

SUNDAY, NOV. 13

TURKEY BOWL-The Eighth Annual Turkey Bowl will be played this Sunday at Annunciation School. Game time is 2:30 p.m., with dinner being served from 11:30 p.m. Home team will play Bay Catholic Elementary Crusaders. Donation is 25 cents for students and 50 cents for adults. Lunch tickets are \$1.50 for children and \$2 for adults.

### Rocks to close season in Vancleave Friday

By ELLIS CUEVAS  
The St. Stanislaus Rock-A-Chows, fresh from a Homecoming victory over East Central last week will close their football season at Vancleave this Friday night. The Rocks at 4-5-1 would like to have an above 500 for the season and the only way is a victory over Vancleave.

In the East Central game the Rocks gave a good effort but should have scored more points according to coach Billy Poole.

"Vancleave is very quick, similar to Pass Christian, they are not the largest team that

## Basketball opens

# Hawks looking for opener victory

By ELLIS CUEVAS  
Hancock North Central's basketball season opens Saturday night when the Hawks visit Harrison Central. The Hawks record for the 1976-77 season was 21-14.

Coach Roland Ladner is in his 14th year at North Central. He is assisted by David Ward and is looking forward to a good 1977-78 season.

"We are hoping to make up in the lack of height with speed, good ball handling, aggressive play, good defense and look-to-control-the-tempo

of games. We didn't have much height last season yet we played some teams with very tall players and did very well," coach Ladner commented.

The probable starters for the Harrison Central tilt will be: 5'11" Dean Shaw, Jr.; 5'8", Byron Keith Ladner, Soph; forwards; 5'8", all stater last season, Barry Arcement, Jr., 6'0" Alan Dedeaux, Jr., and at center, 6'1" David Wayne Ladner.

Coach Ladner said football players that will see a lot of action this year in basketball include Pat Necaise, Mark Ladner and Rocky Cuevas. The Hawk football team plays Pass Christian Friday night and have signed to play in the Pickle Bowl in Wiggins next week.

Coach Ladner has four players moving up from last year's Junior varsity to add

depth to his squad: 6'3", Mosey Hill; 6'3", Zachary Ladner; 5'10", Michael Ray Ladner; 6'3", Marty Perkins. Others trying for a berth on the Hawk varsity include Rodney Ladner, Rickey Peterson, Willie Harrison, Don Moran, Timmy Ladner and Brent Shaw.

The varsity squad will be trimmed down to about 15 players with the rest going to the junior varsity according to coach Ladner.

The Hawks, contenders for state honors are hoping for a good season especially since the football team has set all records by going undefeated in their first nine games this season.

The hardwood mentor said their next game after the Harrison Central battle will also be an away game at Stone County next Tuesday night.

### 34-2 last year

## Hawkettes play Saturday night

By ELLIS CUEVAS  
The Hancock North Central Hawkettes sporting a 34-2 record in the 1976-77 basketball season, losing out in the semifinals by only five points for the State girls championship, will open at Harrison Central Saturday night.

Head coach Charlie Grantham assisted by Gerry Mims will have their same squad intact this season with the exception of one starter that compiled the big 34-2 record last season.

Coach Grantham's Hawkettes have the height in Shelia Ladner, 6'2" and Shaynon Ladner 6'0" playing

high and low post. Other probable starters Saturday night will be 5'7" Joye Nell Lee, 5'7" Sherrell Ladner, 5'3" Shelly Dedeaux, 5'2" Sherrie Ladner and 5'1" Janet Ladner.

Other members of the team are Charlette Ladner, Susie Moran, Janet Necaise, Shella Lynn Ladner, Cindy Odom, Desree Lizana, Tammy Davis, Tracy Lewis, Becky Ladner and Dawn Jackson.

"I feel that we have a good group of girls on our team this season and that we should have a good season," stated coach Grantham who is in his ninth year at Hancock North Central.

### '78 Recruiting starts

## PRJC Wildcats end year, 6-4

Pearl River Junior College finished their 1977 season with a 6-4 overall record.

Not a bad accomplishment for most teams but for the Wildcats it has been a very disappointing year.

"I'm real disappointed for

the school and players," said J.C. Arban, head coach of the Wildcats, who are the defending Mississippi Junior College Champs.

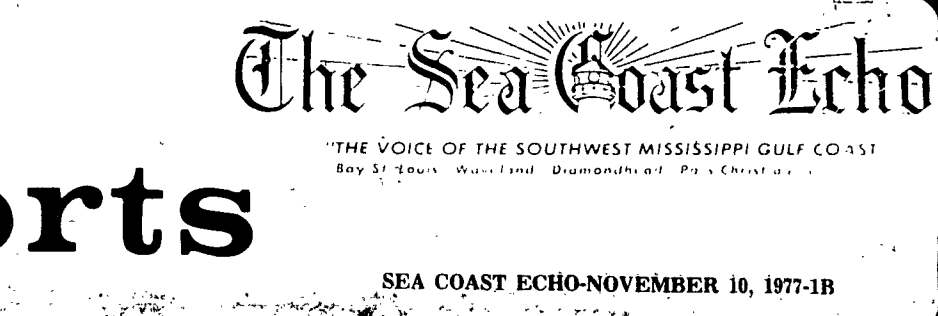

According to Arban there are several factors contributing to the so-so year of the Wildcats. Heading the list were mental mistakes, penalties and bad officiating, lack of dedication by the players, and the failure to take advantage of leads and golden opportunities.

"A lot of things go into losing, just as winning," Arban said. "We made mistakes on plays with basic blocking and running assignments that really hurt us. They didn't mean to miss an assignment but they did and it hurt."

According to Arban several games were affected because of rulings by officials. "Teams were so even that a missed call or a bad call by an official meant the difference between winning and losing."

"Pearl River lost to Park 21-

(Continued on Page 2-B)

THE PIRATES MEET THE HAWKS this weekend in the final game of the regular season play. The Hawks are going into the match undefeated and as indicated here in their match last weekend against Poplarville, rain, sleet, hail, or slosh, isn't going to slow them down. Here the Hawks mired in Lake Center Field, being held to a gain of just two yards, after Vincent Adams tried an option. They went on to beat Poplarville 20-6. (Staff photo - Jake Jacob)

### Undefeated for season

## Gulfview victorious in Crab bowl

By ELLIS CUEVAS  
The Gulfview Bulldogs, coached by Curtis Thaxton, closed out their 1977 season undefeated and united with a victory over the Lizana Wolverines in the Crab Bowl on Saturday at Gulfview.

The Crab Bowl is sponsored by the Gulfview Booster Club with proceeds going toward sports activities at the school. As a tribute to the seventh and eighth grade football squad, the players will be treated to a visit to the Super Dome in New Orleans to see the New

Orleans Saints play the Atlanta Falcons, compliments of the Gulfview Booster Club. In the Crab Bowl, Donald Carver scored in the first quarter on a quick pitchout over the right side for 25 yards. He added two more points on the PAT going over the left side putting the Bulldogs ahead 8-0.

On the next possession by Gulfview, Ronnie Sutt hit Jay Lee for a 28 yard pass that set up a Carver jaunt over the right side for a 55 yard score. Carver again added two more

points on the PAT by going over the right side giving them a 16-0 lead in the first quarter. Late in the second quarter, Lizana scored when Bruce Ladner went over from the four and also added a two point conversion making the score at the half, Gulfview 16 to Lizana's eight.

When the Wolverines kicked-off for the start of the second half, Carver took the ball on a reverse and raced a total of 80 yards for his third score of the game. Albert Jarrell added two on the PAT

on a counter making the score 24-8.

During the rest of the second half of the game each team moved the ball up and down the field until they got close to the goal line before being shut down by the defense.

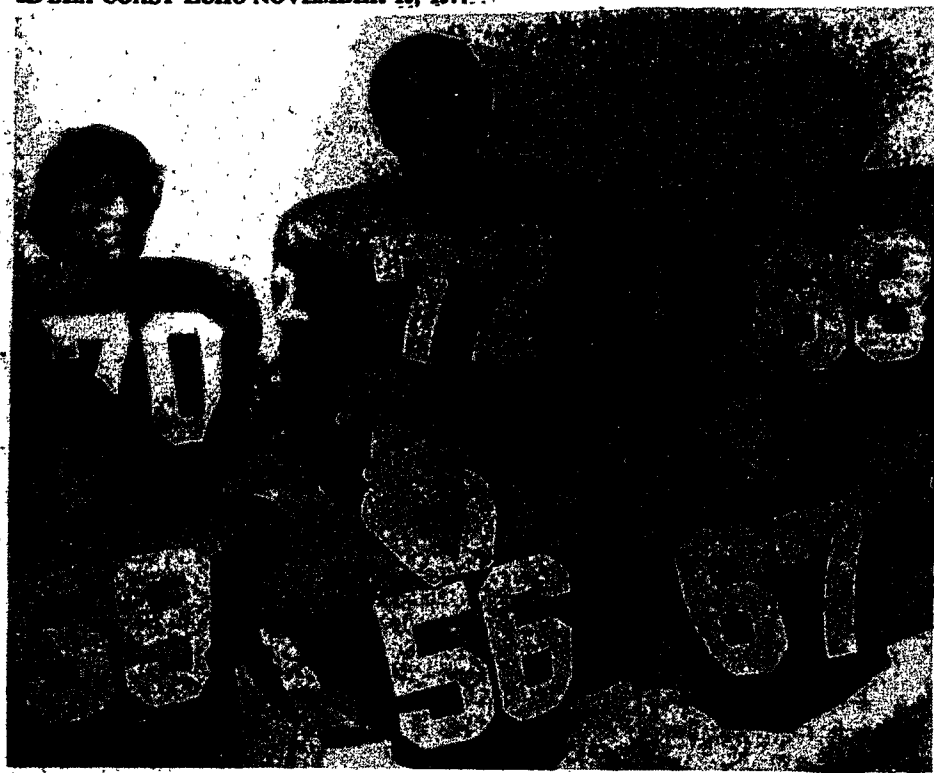

This was the fourth annual Crab Bowl, and Gulfview has already won three. Last year with a 5-4 record they didn't get an invite, so the Bulldogs are undefeated in the Crab Bowl.

Coach Thaxton, in his fifth

DELTA STATE, CLEVELAND, are enjoying a fine football season under baton of Coach Robert McGraw. Quarterbacks for DSU are: from left, kneeling, Donnie Ruis, Loutrie, Ga.; Barry Harper, Grenada; standing, Mike Magee, Bay St. Louis; Charles Minyard, Cleveland; Tony Bowen, Waynesboro.

## PRIC

20 after leading 14-0 early in the first period and Arban thinks that if his team had beaten them they would have won over Southwest.

"We should not have lost that game," Arban said, "we had it in our grasp but let it get away. I think if we had won over the Bulldogs then we

would have had more incentive to beat Southwest."

Arban called lack of dedication another factor in the failure of the Wildcats this season. "We didn't have that many players willing to sacrifice this year," Arban said, "the winning attitude was not as abundant this season as it has been in the

past.

It is back to the drawing boards for the Wildcats coaches as they begin the recruiting war for players in their district.

So called Spring Training begins the second week of December.

## Bulldogs prep to meet LSU Tigers

After unleashing a powerful passing attack in the past two weeks, Mississippi State seeks to continue to fit the pieces together Saturday at 7:30 p.m. in Baton Rouge, La., against the LSU Tigers.

State's new found pro-set offense, which has accounted for 483 yards passing in the past two games against Alabama and Auburn, must continue to produce at a rapid rate if a win is to be obtained in ferocious Tiger Stadium. Quarterback Bruce Threadgill of New Iberia, La., has found freshmen wide

receivers Mardy McDole and Breck Tyler for a total of 19 pass completions for 399 yards and a pair of touchdowns in the battles with US and AU.

Now the senior signal caller makes his last appearance in the home state Saturday night with a chance to become MSU's second-leading total offense gainer of all time.

Standing 6-0 and 190 pounds, the hard-throwing southpaw has now accumulated 3,523 career yards rushing and passing to rank third in Bulldog annals behind Rocky Felker, who compiled 3,776 yards from 1972-74.

weeks, added to his totals with a 48-yard runback against the Tigers. That helped him to increase his average to 27.4 yards per return on 13 kickoffs.

Defensively, the Bulldogs can rely on the talents of sophomore Kenny Johnson of Moss Point at safety. The 170-pound secondary man grabbed a share of the Southeastern Conference lead with two interceptions against AU, and that gives him four pilfered passes for the season.

Coach Bob Tyler's forces, who are now 4-5 on the season, must find a way to deal with Heisman Trophy candidate Charles Alexander this weekend.

The bruising LSU running back has managed over 1,100 yards in eight games to date and has ranked among the nation's top three rushers for the past seven games. His per-game average continues to hover near the 135-yard mark.

In Saturday night's tussle the Bulldogs will attempt to prolong a three-game winning streak over LSU and to duplicate the 16-6 triumph which Mississippi State scored

in its last trip to Tigertown in 1975.

## MHP set Nov. 15

as decal check

road block day

M.C. Pardue, Chief of the Mississippi Highway Safety Patrol, said yesterday that since the majority of registered license plates expire Oct. 31st, MHP enforcement of proper replacement decals will begin on Nov. 15.

He said that the fifteen day grace period will allow motorists enough time to display their decals, if not, they will be cited as in violation of the law.

Mississippi apportioned plates on large trucks will expire on Dec. 15th, with an enforcement date of Dec. 16.

Pardue said that in 1976, there were 1,494,032 registered motor vehicles in Mississippi and this year, there will probably be even more.

Give the United Way Thanks to you it works for us all.

## Gulfview...

(Continued from Page 1) year at Gulfview, says his team in 1974 went 9-0, 1975 went 9-1 and 5-4 in 1976, he is really proud of his young players going 10-0 this season.

The Booster Club chose Bruce Ladner as the defensive player of the game, with Donald Carver getting the offensive honors by a wide margin.

Coach Thaxton said that Carver accounted for 112 yards on the ground and 115 yards on punt and kick-off returns during the game.

Carver broke a school rushing record set in 1974 by Mike Shiyou who had 960 yards for the season. Carver in ten games this season has rushed on the ground for 1560 yards which gives him an average of 156 yards a game.

## Harvill outdoors

By Donald Harvill

The salt water fishing is still good, there have been quite a few specks caught this week. The speck fishing in the Jourdan River has really picked up, combinations of specks, reds, flounders, sheepshead and some white trout are being caught in the lower reaches of the Jourdan. Fishing in general is improving just about everywhere.

The fresh water fishing has also made a drastic change for the better. With cooler weather the bass and other fresh water fish have been biting pretty good. The bluegills in the local ponds are becoming real active.

There are still a lot of hunters in the woods, but not near as many as there were the first few days of the squirrel season.

Hunters better start being careful while driving in the woods, because of the hunter traffic and the rain some of the roads are becoming good and boggy.

**BAYOU CADDY** - The fishing has been fair. The fishing wasn't too good over the weekend, but is better now and a lot of people caught some nice fish. Mr. Kermit Strong and his wife, June, caught 12 or 15 large specks Sunday. Willie Blackwell caught one box of nice specks Sunday at Nine Mile Bayou. Pa Miller and his wife from New Orleans caught two nice reds and about 15 specks Sunday at Three Mile Bayou. There were several good catches made last week also. (Mr. Bordage, Bordage Bros. Marina)

**BAY ST. LOUIS** - Danny White and his father killed 15 squirrels at Devil's Swamp the first weekend of season. Carl Gustafson, Carl Jr., Vick and friend, Billie, had a banner day at South Pass Sunday - they boated a total of sixty-nine bull reds.

**JOE'S BAYOU** - A lot of people are catching some real nice specks in the river. The water in the river is good and clear. Maurice Graham, who is a member of Elks Lodge 970 of Gulfport, caught 105 lbs. of nice specks in the river last Wed. The fish weighed two pounds and more. We have lots of live bait. (Mrs. Allie Cospelich, Joe's Bayou Marina)

**PEARLINGTON** - The fishing is fairly good. The

fishing was better Saturday than it was Sunday. There were a lot of nice bass caught at Waste House Bayou over the weekend by my regular fishermen. The water is clear and cool, the rain helped to cool the water and to circulate it, thus helping the fishing. There has been very little salt water fishing. (Mr. Roy Baxter, Pearl River Marina)

the season at Black Creek in Wiggins. (Andy Ladner, Andy's Baitshop, at Kiln Supermarket)

**ANSLEY** - The fishing is still good. Mr. and Mrs. Asher caught 100 specks at Big Grassy. A lot of good catches of specks were made at Big Grassy and Half Moon over the weekend. Boats brought in large numbers of nice specks all day Monday which were caught at Little and Big Grassy and Half Moon. One man caught eight or 10 small reds and some specks. Mr. and Mrs. Al Kingston caught a lot of nice specks Monday. Mr. Kreiger and Mr. Alfonso Dorn caught lots of nice, big specks Monday. We still have lots of live bait. (Mrs. Torie Hall, LaFrances)

### Backwash

By Ann Stiefel

**SAILING BANQUET** - Saturday, November 12, is the date for BWYC's annual SAILORS BANQUET AND AWARDS PRESENTATION. This is a wonderful evening of fun and recognition for all those who have taken part in the sailing program at Bay Waveland during the year. All members are welcome to attend. A spaghetti dinner will be served from 6:00 to 8:00. Reservations must be made by calling the club office.

**FROSTBITE REGATTA** - Doug Sansom won the Open Scot Class in Pass Christian Yacht Club's annual Frostbite Regatta last weekend followed by Harrington and Troendle, Heath and Pickich tied for fourth. Blouin won the Laser class, followed by McSwain; Ivester and Merrick tied for third. The Sunfish class was won by Sam Hopkins, followed by Stieffel; Murphy and LeBlanc tied for third. Adams won the Fish Class, followed by Pickich, Erichsen and Gamard.

**BOARD OF GOVERNORS MEETING** - Friday, November 11, 7:00 P.M. Seafood and steak dinner will be served at the Club Friday evening.

**CHAMBER OF COMMERCE** will hold their annual membership banquet at BWYC Monday, Nov. 14.

**BWYC LUNCHEON AND FALL FASHION SHOW** - Wednesday, November 16, at 12:00 noon. New fall fashions will be presented by Paulin's Sportswear. Reservations must be made by calling the Club office.

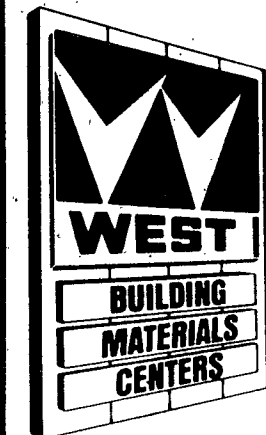

**SPORTSMAN OF WEEK** - A. J. Williams of Bay St. Louis with a 35 lb. red he caught on a smokey tail bait while fishing at Nine Mile Bayou. Williams is the owner of The Flower Shop, Bay St. Louis.

**KILN** - A lot of specks were caught in the Jourdan over the weekend. Hubert Bilbo caught 15 nice specks in the avg. three to five pounds a piece and also some nice bass in Bayou Cocca. All were caught on live shrimp. One man caught some nice channel and blue cats on minnows in Jourdan River. The rain brought some fresh water into the river but it will be salty again real soon. The water is clear and cool. My father and brothers along with a hunting part of 25 killed 130 squirrels the first weekend of

FOOTBALL CONTEST WINNERS Gary Sotak, left, and Perre Cabell, both of Bay St. Louis, collect \$5 and \$10 checks, respectively, for their winning selections in the Echo Football Contest. Forms for this week's contest are found in the Sunday Echo. (Staff photo-Edgar Perez)

# St. Stanislaus Homecoming highlights

THE QUEEN of the St. Stanislaus Homecoming Court, Miss Joan Dickinson, is pictured with her parents, Mr. and Mrs. Charles Dickinson (at left) and her grandmother, Mrs. Lucien Gex, Sr. (at right). (Photo by Ed Fayard)

ENJOYING THE COCKTAIL PARTY before St. Stanislaus Homecoming are Mr. and Mrs. John Hill (at left), Mr. Joseph Gex '82 and Mrs. Lucien Gex, Sr. (Photo by Ed Fayard)

Harry Bowes, left, congratulate Charles Dickinson, father of St. Stanislaus' Homecoming court Queen Joan Dickinson.

(Homecoming court staff photos - Randy Ponder)

Maid Suzi Kergosten escorted by her father Phil Kergosten.

Maid Fran Sallinger escorted by her father Richard J. Sallinger.

Maid Vanessa Singleton escorted by her father Milton Singleton.

Maid Renee Jarreau escorted by her father Charles Jarreau.

Maid Liz Ellis escorted by her father J. C. Ellis.

Maid J'Don Noto escorted by her father Lawrence Noto.

Maid Cyndi Regan escorted by her father Don Regan.

Maid Charlotte Jones escorted by her father C. Randall Jones.

Maid Beverly Hill escorted by her father John Hill.

Maid Missy Treutel escorted by her father David Treutel.

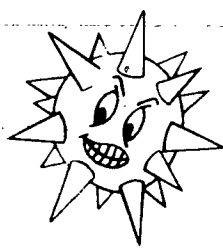

Maid Erin Glancey escorted by her brother Michael Kevin Glancey.

GIVE THEM THE GAS - The sophomore class of St. Stanislaus recommended the Rocks gas the bugs, as their theme for the Homecoming parade. (Staff photo - Ellis Cuevas)

SCHOOL SPIRIT WAS HIGH - The Rock-A-Chaws of St. Stanislaus were a happy bunch as they paraded through the streets of Bay St. Louis last Thursday in preparation for Homecoming. (Staff photo - Ellis Cuevas)

St. Stanislaus  
Rock  
a  
Chaws

BRING OUT THE FLY SWATTER - Freshmen suggest Stanislaus Rock-A-Chaws use a fly swatter on the Hornets for victory in Homecoming. (Staff photo - Ellis Cuevas)

VIEW OF VICTORY - St. Stanislaus Rock-A-Chaw players are jumping for joy after their victory over the Hornets last Friday in Rock-A-Chaw Stadium. Stanislaus held a 14-0 record and rebounded with a Central sustained drive in the final minutes. (Staff photo - Randy Ponder)

HOMEcoming PARADE - The Stanislaus senior class had this Hornets nest as their entry in the Rocks Homecoming parade last Thursday. (Staff photo - Ellis Cuevas)

THE BAND PLAYS - Highlight of every parade is a marching band. The St. Stanislaus band marched with floats through town last Thursday as part of St. Stanislaus Homecoming activities. (Staff photo - Ellis Cuevas)

**CHARLIE BROWN** came to life in stage production at Annunciation School, Kila, on Oct. 31, as imported and local spooks, goblins, and like, were reinforced by efforts of students who strove to scare you know who out of the Great Pumpkin Patch. Portion of cast involved are, from left, front, Greg Ladner, Terry Loneragan, Ricky Mauffray, rear, Regina Ladner, Rachel Austin, Lexie Stephenson, Rebecca Farve, Jolene Ladner. (Photo by Annunciation School)

**\$100.00 WINNER** - Ms. Susan Garcia of 211 Union St., Bay St. Louis is a big winner in Food Center's Instant Money game. Ms. Garcia won \$100 in the game last week. (Staff photo - Ellis Cuevas)

## Local gardeners may see floral design

"Fall Connections," a floral design show, will be held at 7:30 p.m. Nov. 9 in Dorman Hall Auditorium at Mississippi State University. Admission is free.

The show will precede the 22nd annual Mississippi Landscape School being held at MSU Nov. 10. Garrett Eckbo of San Francisco, Calif., internationally known landscape designer and

writer, will be the school's featured speaker. For further information on the design show, contact Susan Cruse, Drawer HM, Mississippi State, Miss. 39762.

**AUTHOR**  
A three day symposium honoring internationally known author Eudora Welty will inaugurate the Center for Studies in Southern Culture at The University of Mississippi Nov. 10-12. Miss Welty will give readings from her works at the conclusion of the event, which is also being sponsored by the University.

Nov. 10-13

**HALLOWEEN** - Was depicted as frightening occasion on last day of October at Annunciation School, Kila, as seniors presented Charlie Brown for benefit of students. Here, appearing ready to kick pumpkins out into bleachers are, from left, Annie Collier, Rebecca Favre, and Rachel Austin. (Photo by Annunciation School)

## OLG Altar Guild plans fall sale

Our Lady of the Gulf Altar Guild met Thursday, afternoon Nov. 3, in OLG rectory with Rev. Patrick Tierney, Our Lady of the Gulf

### CAREER TIPS

Competition is keen for jobs in journalism, and the key to success in the field is getting a "foot in the door," according to Dr. Jean K. Jones, coordinator of career services at The University of Mississippi. A college education is almost mandatory for aspiring journalists, she said, and experience in the field is a definite advantage.

Parish administrator, and 20 members attending.

Mrs. Irene Hille, president, conducted the business session when plans were made for a white elephant sale to be held November 19. Anyone with articles to donate for the sale is asked to contact Mrs. Hille or Mrs. Juliette Cook.

Following a brief meeting, a social hour was held with Mrs. Hille and Mrs. Alden Mauffray as hostesses.

**ART FACULTY FEATURED**  
Works by members of The University of Mississippi art faculty are being featured in the November exhibit.

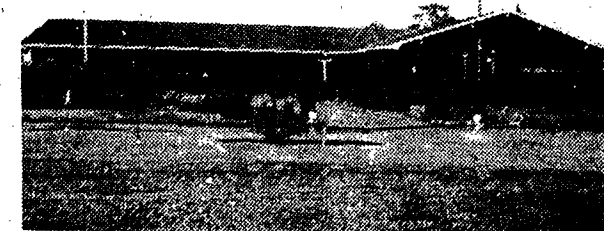

## who's new

Mr. and Mrs. Michael Pursley of Waveland, announce the birth of a daughter, Katherine Michele, born Nov. 5, 1977, weight eight pounds five and a half ounces, at Gulfport Memorial Hospital. Paternal grandparents are Dr. and Mrs. Paul A. Pursley. Maternal grandfather is H.C. Simonson of Bayou La Batre.

Mr. and Mrs. Douglas McQueen of Waveland announce the birth of their second child and first daughter, Katherine Gayle, November 2, at Gulfport Memorial Hospital. She weighed 11 pounds, eight and one-half ounces.

Mrs. McQueen is the former Sandra Shaw, daughter of Mr. and Mrs. T. J. Shaw of Gulfport. Mr. and Mrs. Jack McQueen of Picayune are the paternal grandparents.

### News from the Church of St. Ann

**MEDITATION SUBJECT**  
Meditation suggestion for this week from Father Canisius Hayes, pastor, St. Ann's Parish, is "It isn't the mountains ahead that wear you out, it's the grain of sand in your shoe."

**ALTAR SOCIETY**  
St. Ann's Altar Society Communion Mass will be at 5 p.m. Saturday, Nov. 12.

**TURKEY DINNER**  
According to Mrs. Alvin Ladner, chairman, tickets are now available for the turkey dinner to be held in St. Ann's Parish hall Saturday, Nov. 19.

Mr. and Mrs. J. P. Comperta announce the birth of their fourth child and third son, Jeremy Kyle, born Nov. 3 at Memorial Hospital, Gulfport; weighing nine pounds 8 ounces.

Paternal grandparents are Mr. and Mrs. Joe Comperta, of Bay St. Louis.

Maternal grandparents are Mrs. Laura Green, Waveland, and Nick Dorich, Port Charlotte, Fla.

Mr. and Mrs. John H. Gipson of Bay St. Louis, Miss., announce the birth of a son, John Jerome, Nov. 2 at Gulfport Memorial Hospital. He weighed six pounds, 13 ounces.

Mrs. Gipson is the former Pat Coddington, daughter of Mr. and Mrs. John Harvey of San Antonio, Tex. Paternal grandparents are Mr. and Mrs. Carl Gipson of Bay St. Louis.

The afternoon party was centered around the Jumping Frogs theme.

Joining Bryce in celebrating the occasion were Mr. and Mrs. O. J. DeBever, Mr. and Mrs. R. H. Alexander, Hartwell E. Gex, Edmond Fahey III, Jeannette Monti and Joedy and Correy Gex.

**BRYCE P. GEX**

## Bryce P. Gex celebrates

### 3rd birthday

Bryce Pendleton Gex celebrated his third birthday November 1 at the home of his parents Mr. and Mrs. Joseph W. Gex, South Beach Blvd., Bay St. Louis.

The afternoon party was centered around the Jumping Frogs theme.

Joining Bryce in celebrating the occasion were Mr. and Mrs. O. J. DeBever, Mr. and Mrs. R. H. Alexander, Hartwell E. Gex, Edmond Fahey III, Jeannette Monti and Joedy and Correy Gex.

Give the United Way - Your one gift works many wonders.

**FOR ABOUT THE COST OF BAKING A CAKE, YOU CAN SHARE A 10 MINUTE SLICE OF LIFE. BY LONG DISTANCE.**

You can share a lot of sweet memories with someone a thousand miles away. Just dial the 1\* way and talk for ten minutes for only \$2.44 plus tax. Any evening Sunday through Friday between 5 PM and 11 PM. These evening rates are lower than rates for long distance calls dialed during weekdays.

Call often. And add a little frosting to a friendship.

**South Central Bell**

**Long distance. What else is so nice for the price?**

Low One-Plus rates do not apply to Zero-Plus dialed long distance calls. Low One-Plus rates do apply to station-to-station calls you dial yourself, talk to anyone who answers and bill to the telephone you are using, and on station-to-station calls placed with an operator where long distance dialing facilities are not available. Low One-Plus rates do not apply to operator-assisted calls such as person-to-person, coin, credit card, collect, and on calls charged to another number, including special billing numbers.

Jackson, Mississippi November 4, 1977 Federal State

Weekly summary of Mississippi livestock auction markets. Cattle receipts 25,100 compared to 21,600 last week. Slaughter cows steady to 2.00 lower, bulls steady to 1.00 lower, feeder steers steady to 2.00 lower, butchers steady to 1.00 lower.

**Slaughter Classes**

Happy Birthday to Don Necaise from his mom, Hazel Necaise.

Jimmy Boyd of Stonewall has returned home after a two month visit to his uncle C.M. Page.

Pearlington First Southern Church W.M.V. Ladies are planning a Missionary Book Study of the Book "Rivers of Ink" and a pot luck lunch on Nov. 29 at 10 a.m. All ladies are invited to attend.

Get Well to "Peanut" Wood who is recovering from a hand injury due to a lawn mower accident.

If you have news each week and want to see Pearlington News continue each week please help by calling me.

## THE OLE

## PASTOR SAYS...

"SEE THAT YE ABOUND in this grace also" (II Cor. 8:7), writes the inspired apostle to those Christians in the church at Corinth concerning their responsibility in supporting the Lord's work.

Giving is the bed-rock principle upon which Christianity stands. Read John 3:16 and Luke 6:38. It is also one of the paramount graces taught in the Scriptures and practiced by the people of God in every age. It is the crowning privilege of every believer in the service of the Master. It is not that God needs you, but that you need Him. Not that God needs your gift, but rather that you need the blessings which come from giving. Thus we understand why Jesus said: "It is more blessed to give than to receive" (Acts 20:35).

Christian giving is an act of recognizing God's ownership of all things. God is the Creator and owner of all things. "Every good gift and every perfect gift is from above" (James 1:17). It is God who gives to us our talents, our time, and possessions - not to use or abuse as we please; but to trade with; not simply for ourselves, but also for Him. We are not owners! We are tenants! We can give only of that which God hath first given unto us. All we have we hold in sacred trust. The question is: can we be trusted? God is Lord. He says: "The gold is mine and the silver is mine and the cattle upon a thousand hills." Furthermore He adds: "If I were hungry, I would not tell thee: for the world is mine, and the fulness thereof."

We (the redeemed) do not own ourselves. "Ye are not your own. For ye are bought with a price" (I Cor. 6:19-20). Therefore, we are God's servants, if indeed we have been saved by His grace. But He has made us stewards, and "It is required in stewards that a man be found faithful. God has a rightful interest in a man's money. He is interested first in how he acquires it. Secondly, He is interested in what he does with it. "As a partridge sitteth on eggs, and hatcheth them not; so he that getteth riches, and not by right, shall leave them in the midst of his days, and at his end shall be a fool" (Jer. 17:11).

- L. S. Walker

## Taconi's Hardware

## Notes from Pearlington

Happy Birthday wishes to William Burch, Pam Smith, Kenny Wilkinson, Stephanie Hover, Kevin Murphy, Leslie

Bennett, Don Necaise, and Emily Hamilton.

Emily Hamilton celebrated her birthday at Farrell's Ice

Cream Parlor in New Orleans. Her guest were: Michelle Benigno, Jeannie Bell, Lori Watkins and Lori Asher.

Congratulations to Miss Linda Bourgeois and Monty Breland who will marry at Waveland Baptist Church on Saturday. Linda is daughter of Mr. and Mrs. Richard Bourgeois and Monty is the son of Mr. and Mrs. Oscar Breland.

Connie, Thomas, Tim, Terry Cox were visitors to Lana and Sherry Breland this weekend.

# Stop IT!

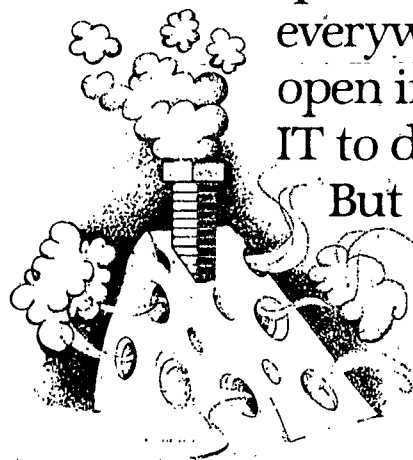

IT is that ugly problem otherwise known as energy wastefulness. And nobody has to tell you the last thing we should be doing is wasting our dwindling energy supplies.

But right now, even as you read this sentence, IT is lurking in homes all over South Mississippi, gobbling up precious energy. And burning money like it was going out of style.

## The "Swiss Cheese" Syndrome.

The big problem is the way most homes have been built over the years - like a piece of swiss cheese with lots of holes. The average home is dramatically under-insulated in the roof, walls, doors, windows, practically everywhere. An open invitation for IT to drop in.

But there are effective steps you can take to make your home more energy-efficient. And that's where Hancock Bank comes in.

## Handy Money to the rescue.

Right now, Hancock Bank is giving special priority to loan requests for home improvements that will make homes more energy-efficient. A small investment now could save you a bundle in the years

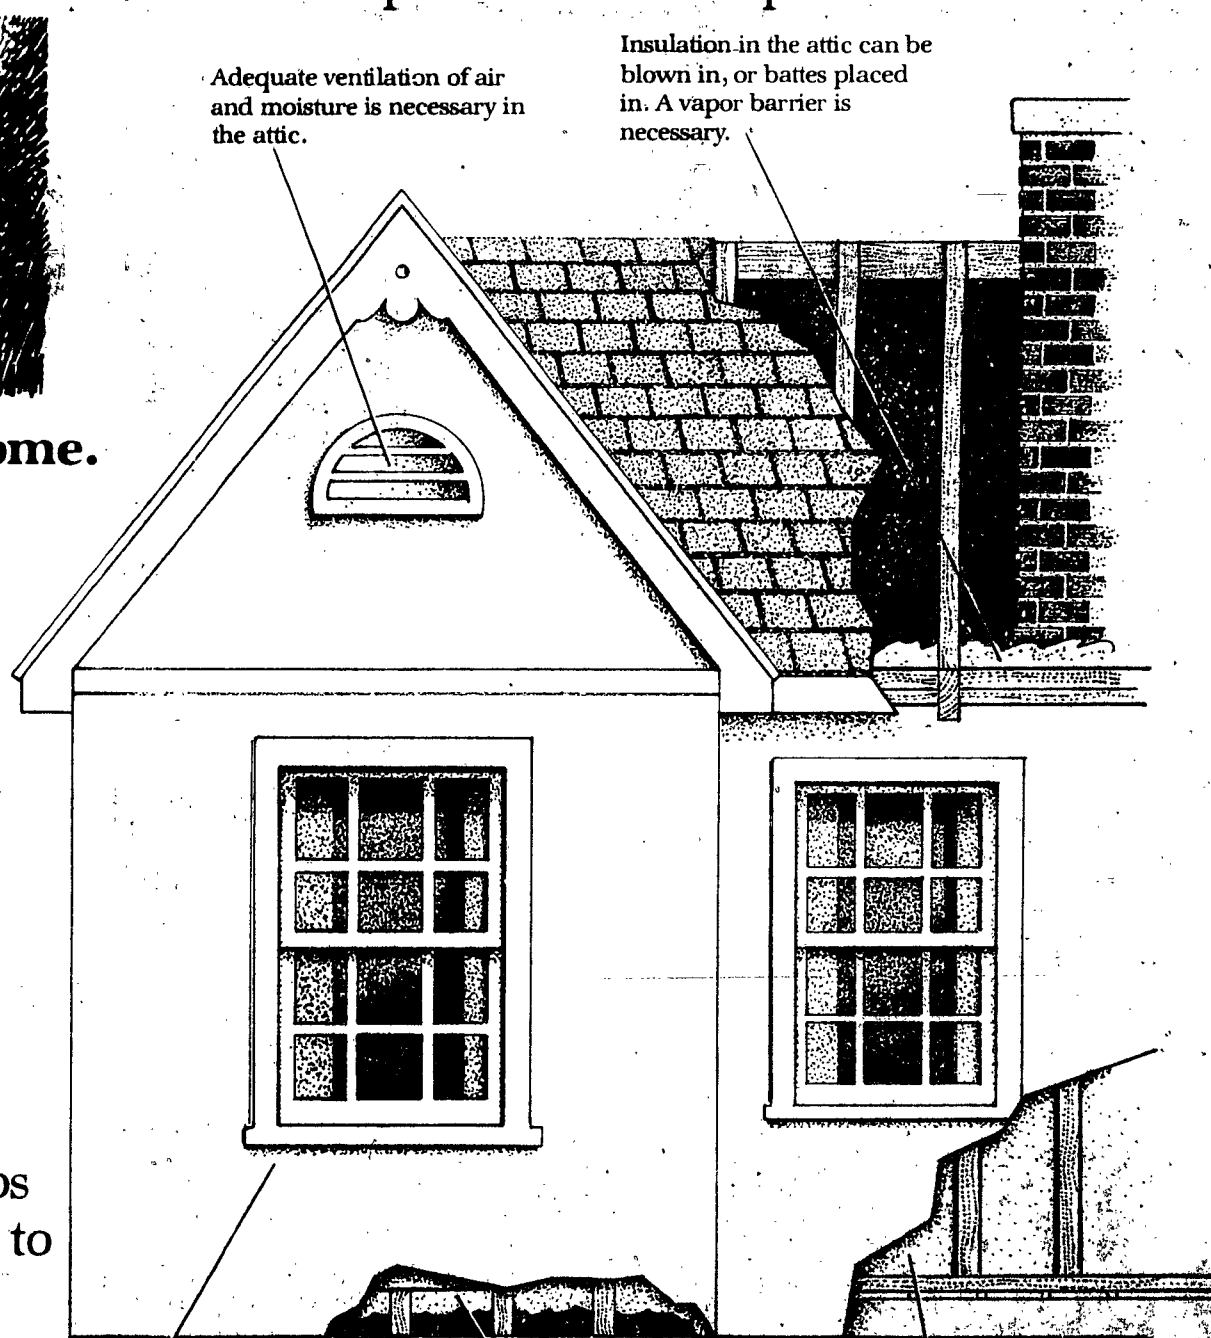

ahead. In fact, tests have shown that you can save as much as \$5,000 in fuel costs over the life of your home when it's properly insulated.

We've got lots of Handy Money for adding insulation, new storm windows, whatever. Stop by and talk to us about it, okay?

Let's stop IT. Before IT stops us.

Adequate ventilation of air and moisture is necessary in the attic.

Insulation in the attic can be blown in, or batts placed in. A vapor barrier is necessary.

Windows and doors should be weather-stripped, caulked and sealed. Also, storm windows should be added.

Insulation and vapor barrier should be installed in houses with basements or crawl spaces.

Insulation can be blown into existing exterior walls.

## Handy Money can Stop IT!

**SURPRISE ON THE ROCKS** is borne aloft by Walter Victor Frankiewicz, Jr., in current presentation of Bay Little Theatre, *Eat Your Heart Out*. Play is being presented tonight, Friday, and Saturday, at playhouse on Boardman. Mr. and Mrs. Carter, soon to receive surprise are, Mrs. Alice Holmes and Randolph Bourgeois. (Photo by Little Theatre)

## At Little Theatre

## Eat Your Heart Out to play this week

By MIKE HAMM  
"Eat Your Heart Out," a three act comedy by Nick Hall, will be presented at the Bay St. Louis Little Theatre on Boardman Avenue Nov. 10, 11, 12. Curtain time for the play is 8:15 p.m.

Directed by Mike Cuevas, the play is set in New York City in modern day, and tells

**PLANETARIUM VISITED**  
Third and fourth grade students of Christ Episcopal Day School, accompanied by their teachers and several mothers, visited the planetarium Wednesday at Vancleave, Miss.

the story of Charlie, a struggling actor who works as a waiter while "waiting" for that one big break.

In the process, Charlie shows us the lives of several other people who, like himself, are searching for something a little bit better in life, only to discover that maybe it's not too bad here after all.

By the use of several tablecloths to portray different restaurants, and the use of multiple roles by talented actors, the audience sees four different eating establishments that range from very posh to very passe. Charlie-the waiter, is being portrayed by Vick Frankiewicz Jr., Col. Randolph Bourgeois-a newcomer to the little theatre stage, is playing the part of "The Man."

"The Woman" is being played beautifully by a veteran actress, Mrs. Alice Holmes.

Walter Turcotte, III, is doing the part of "The Boy," and Doris Potter, "The Girl," with whom Charlie falls in love, is being portrayed by another newcomer to the theatre, Claudia Murphy.

This is the last play of the current season, and is well worth the effort to see.

A lot of hard work, patience and love have gone into this play, and it has blossomed into what hopefully will be a real winner. Come and enjoy "Eat Your Heart Out" Nov. 10, 11, 12 at 8:15 at the Boardman Avenue Playhouse.

### TRUSTEE'S NOTICE

OF SALE  
WHEREAS, on September 21, 1972, Michael A. Schmitt, III, and wife, Tientze A. Schmitt, executed a deed of trust to O. B. Taylor, Jr., Trustee for the benefit of Kimbrough Investment Company, which deed of trust is recorded in Deed of Trust Book 164 at page 440 in the office of the Chancery Clerk of Hancock County, State of Mississippi; and

WHEREAS, said deed of trust was assigned to Federal National Mortgage Association - by instrument dated May 4, 1973, and recorded in said Chancery Clerk's Office in Book 170 at page 89; and

WHEREAS, default having been made in the terms and conditions of said deed of trust and the entire debt secured thereby, having been declared to be due and payable in accordance with the terms of said deed of trust, and the legal holder of said indebtedness, Federal National Mortgage Association, having requested the undersigned trustee to execute the trust and sell said land and property in accordance with the terms of said deed of trust for the purpose of raising the sums due thereunder, together with attorney's fees, trustee's fees and expense of sale.

NOW THEREFORE, I, O. B. Taylor, Jr., Trustee in said deed of trust, will on the 21st day of November, 1977, offer for sale at public outcry, and sell within legal hours, (being between the hours of 11:00 A.M. and 4:00 P.M.), at the front door of the County Court House of the County of Hancock, at Bay St. Louis, Mississippi, to the highest and best bidder for cash, the following described property lying and being situated in the County of Hancock, State of Mississippi, to-wit:

Lot 22, Block 1 of Spanish Acres Estates Subdivision to the County of Hancock, State of Mississippi, as per map or plat thereof on file and of record in Plat Book 3 at Page 31 of the Plat Records of Hancock County, Mississippi.

I WILL CONVEY any such title as is vested in me as Trustee.

WITNESS MY SIGNATURE this 29th day of September, 1977.

O. B. TAYLOR, JR.

### CHANCERY SUMMONS

NO. 13,691  
THE STATE OF MISSISSIPPI,  
TO Louis A. LeBlanc, Sr. and Louis A. LeBlanc, Jr., Non-Residents of the State of Mississippi, whose last known place of residence, post office and street address is 668 Morningside Drive, Gretna, Louisiana 70053; William E. Hamilton and Morjorie L. Hamilton, Non-Residents of the State of Mississippi, whose last known place of residence, post office and street address is P.O. Box 144, Slidell, Louisiana 70458; Joseph E. Thibodeaux and Irene C. Thibodeaux, Non-Residents of the State of Mississippi, whose last known place of residence, post office and street address is 7830 Newcastle Street, New Orleans, Louisiana 70126; Eugene H. Maubert III, Non-Resident of the State of Mississippi, 2555 Frankfort Street, New Orleans, Louisiana 70122. Any and all persons who have cause to object to the vacating of the plat of lots 35 thru 56 Square 8, Canal 3A, Mary Street and Gayle Street all in Jourdan River Shores, Phase 2.

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on or before the 17th day of November, A.D. 1977 to defend his suit No. 13,691 in said Court of Guaranty Properties, Inc. et al. This hearing is set at 2:30 p.m. on the 18th day of November, 1977, at the Courthouse in Harrison County, Mississippi.

This 25th day of October A.D. 1977.

(SEAL) John D. Rutherford, Jr.,  
Chancery Clerk  
Madeline Prendergast, D.C.  
10-27,11-3,11-10,11-17-77

### NOTICE OF PUBLIC HEARING

Notice is hereby given by the Board of Supervisors of Hancock County that a public hearing will be held in the Board of Supervisors' room at the Hancock County Courthouse on Monday, November 21, 1977, at 10:00 o'clock a.m., relative to designation of a community action agency, and that it is the intent of the Board of Supervisors of Hancock County to appoint the Harrison County Community Action Agency, Inc. to represent the unincorporated areas of Hancock County, Mississippi, in connection with all programs initiated or to be initiated under the community action agency, including the weatherization and direct assistance presently being conducted in the county.

All persons and organizations, including the governing bodies of the cities of Bay St. Louis and Waveland, and all other agencies or organizations presently conducting anti-poverty activities in the county, are specifically invited to participate in the hearings and will be given an opportunity to express opinions, ask questions and give information that will in any way help promote programs that have already begun or will hereafter begin in connection with the community action programs as set forth under the federal guidelines.

Published by order of the Board of Supervisors, this the 17th day of October 1977.

John D. Rutherford, Jr.,  
Clerk  
Board of Supervisors  
Hancock County, Mississippi  
11-10-77

### A RESOLUTION TO AMEND THE FLOOD CONTROL ORDINANCE

ADOPTED BY THE HANCOCK COUNTY BOARD OF SUPERVISORS ON APRIL 18, 1977 AND RECORDED IN MINUTE BOOK B-8 AT PAGE 483

WHEREAS, said Flood Control Ordinance was submitted to the Federal Insurance Administration on May 31, 1977, to satisfy the requirements for participation in the Federal Flood Insurance Program as set forth in the FEDERAL REGISTER, Volume 41, Number 207, dated Tuesday, October 28, 1976; and

WHEREAS, the County has been informed that said ordinance does not fully satisfy the aforementioned requirements; and

WHEREAS, it is the intent of this Board of Supervisors to comply with said requirements;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of Hancock County that Article IV, Section 1 of the Flood Control Ordinance of Hancock County be amended by the addition of Subsection G to read as follows:

G. The flood carrying capacity within any altered or relocated portion of any watercourse shall be maintained.

The motion was duly seconded by Supervisor Travira and unanimously adopted.

Published by order of the Board of Supervisors, this the 7th day of November, 1977.

John D. Rutherford, Jr.,  
Clerk  
Board of Supervisors  
Hancock County, Mississippi

For last nine weeks

## Hancock North Central tells honor students

Hancock North Central Elementary School this week released details concerning its honor roll for the first nine week period.

No first grade students were recognized on the covered listing and only six from the sixth grade were named.

Those honored by the school were:

2ND GRADE - Eretta Baradell, Lamonica Bullock, Karen Cuevas, Scott Cuevas, Vincent Cuevas, Wendy Dedeaux, Jan Fletcher and Christy Funk.

Melinda Garcia, Katherine Haas, Sharon Koenenn, Desiree Ladner, Jonny

Ladner, Natalie Ladner, Pam Ladner and Rhett Ladner. Roger Ladner, Steven Larsen, Regina Lee, Sonya Lee, Twyla Lee, Diane McDuff, Marlin McQueen and Jubul Mitchell.

Laurie Mitchell, Dana Moran, Lynnie Necaise, Sandy Necaise, Angela Newkirk, Mary Peterson, Bronson Saudier and Michael Seal.

Robin Seal, Sherry Shaw, Drew Smith, Teresa Smith, Derek Stenkyft, Trace Thurston and Michelle Turner.

3RD GRADE - Olen Anderson, Glen Beech, John

Bilbo, Mary Burrow, Shannon Clark, Curt Deshamp, Jenny Dossett and Charlene Fleming.

Tina Henley, Lorraine Ingula, Rory King ALL A'S, Buffy Knight, Amanda Ladner, Deldra Ladner, Julie Ladner and Kendrick Ladner.

LarReece Ladner, Darrin Mauffray, William Moran, LeAnne Necaise, Paul Necaise, Thomas Necaise, Chris Ory and Bobby Perkins.

Travis Quire, Jennifer Rester, James Seal, Carlos Shiyu, Brad Smith, Shannon Smith, Willa Turner, Laura Watkins and Troy Wickton.

4TH GRADE - Paula

Cuevas, Patti Hester, Brad Ladner, Kirk Ladner, Ronnie Lumpkin, Tracy McDuffie, Brian Necaise, Hilary Necaise, Lynn Necaise, Stacey Shaw, Donna Shiyu and Dawn Skogen.

5TH GRADE - Roy Cuevas ALL A'S, Melissa Evert, Theresa Halterlein, ALL A'S, Jack Howell, Tony Guldry.

CAREER TIPS

The travel industry is expected to expand rapidly through the mid-1980s, but competition for jobs in the field will be keen, according to Dr. Jean K. Jones, coordinator of career services at Ole Miss.

Deanna Ladner, Pamela Ladner and Penny Ladner. Tammy Mauffray, Pam Necaise, Rance Necaise, George Paul, ALL A'S, Sharon Peterson, Rebecca Ramsey,

Tammy Skipper, Billy Strickland and Gary White. 6TH GRADE - Danita Ladner, Pam Ladner, Tangel Lee, Thurman Necaise, Angie Schubert and Rene Skogen.

LT. R. L. TRAMMELL, USMC

Marine Second Lieutenant Randall L. Trammell, son of Mrs. William T. Paradies of 117 Marcie Drive, Long Beach, recently participated in Exercise "Fortress Lightning" in the Republic of the Philippines.

He is serving as an officer assigned to Headquarters Battery, 12th Marine Regiment, 3D Marine Division, homebased on Okinawa.

A 1972 graduate of Long Beach High School, and a 1976 graduate of Mississippi State University, State College, with a bachelor of science degree, Trammell joined the Marine Corps in April 1974.

CPL. MELVIN COOK  
Melvin F. Cook, son of Mr. and Mrs. Louis Cook, Pass Christian, recently was promoted to Army corporal while assigned as an assistant gunner with the 8th Field Artillery at Ft. Ord, Calif.

Cpl. Cook entered the Army in July 1975.

He is a 1976 graduate of Pass Christian High School.

PVT. MANUEL CHAVEZ  
Private Manuel F. Chavez, son of Mr. and Mrs. Joseph A. Chavez, Bay Saint Louis, recently completed advanced individual training at Ft. Benning, Ga.

During the seven-week course, students received training which qualified them as light-weapons infantrymen and as indirect fire crewmen in a rifle or mortar squad.

Instruction included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations.

Pvt. Chavez entered the Army in April of this year.

ESGN. M. W. LADNER  
USN  
Navy Ensign Merlin W. Ladner, son of Mr. and Mrs. Merlin C. Ladner of Route 2, Box 293, Pass Christian, was graduated recently from the Navy's Aviation Indoctrination Course (AIC).

During the four-week course at the Naval Air Station, Pensacola, Fla., trainees studied basic aerodynamics, aviation psychology and engineering. They also studied land and sea survival techniques and participated in an extensive physical fitness curriculum.

AIC is the first step in the Naval flight training program leading to designation as a naval aviator.

A 1977 graduate of University of Mississippi, University, with a bachelor of arts degree, he joined the Navy in July 1977.
